Dear Permittee,

This concerns the above-referenced applications for extension of time to complete construction of digital low power television stations. We are unable to process the extensions without additional information. Therefore, please provide the following information for **each of the stations**:

1. A detailed accounting of all steps taken to complete construction including dates for each action.
2. A detailed accounting of any and all circumstances outside of your control that prevented construction including dates of each circumstances.
3. A detailed timeline plan of how and when you expect to complete construction and begin operations.

Please file the above-outlined information in the form of a separate amendment to each extension. Failure to submit this information within 30 days of the date of this letter will result in the dismissal of the extensions and cancellation of the construction permits.

For questions or additional information on this matter, please contact Shaun Maher, Video Division, Media Bureau at 202-418-2324 or [Shaun.Maher@fcc.gov](mailto:Shaun.Maher@fcc.gov) or Mohan Simon, Video Division, Media Bureau at 202-418-7010 or [Mohan.Simon@fcc.gov](mailto:Mohan.Simon@fcc.gov).

Sincerely,

/s/

Barbara A. Kreisman  
Chief, Video Division Media Bureau
