¹ By email dated February 23, 2021 from Dana Bradford, FCC Media Bureau/Audio Division, an extension of time within to respond to the Letter of Inquiry was granted until March 9, 2021.

I, Saul Manriquez a local Pastor in Albuquerque, saw KAQR-LP 99.9 FM go on the air on January 1st, 2020. On the morning of January 1st, 2020, engineer Ivan Kost with personnel were at the location and brought the radio mobile tower, antenna, and other equipment to the church parking lot located at or near 10750 Sunset Gardens Rd SW, Albuquerque, NM 87121. I was at the location when the station went on the air on January 1st. We took photographs of the tower and people tuned in to the radio station 99.9 FM. Various people filled to audience reports for 99.9 FM. The tower site was placed at the parking lot and the radio station has been on the air.

A handwritten signature in black ink, consisting of the letters 'S' and 'M' in a cursive, stylized font. The 'S' is large and loops around the 'M', which is also large and has a small dot at the end.
