

## ONLINE PUBLIC INSPECTION FILE EXHIBIT

The Quarterly Issues/Programs lists are uploaded and complete, however, it is appropriate to indicate that the FCC extended certain OPIF 2020 dates due to COVID-19, and also extended OPIF dates in 2019 and 2013 due to the FCC's discontinuance ("shut-down") in those years arising from the federal government's lapse in funding.

Accordingly, the station's Issues/Programs lists uploaded to the station's OPIF in those time periods after the 10<sup>th</sup> day of the following quarter were timely:

The OPIF requirement for Quarter 1, 2020, was adjusted by the FCC's action in DA-20-353 due to the COVID-19 pandemic from March 10 to July 10, 2020. The station's Quarter 1 list was uploaded on June 26, 2020, which was timely.

The FCC in DA 19-10 "suspended FCC operations" January 3, 2019, due to lapse in funding and in DA 19-26 extended the time for filings due between January 8<sup>th</sup> and February 7<sup>th</sup> to February 8, 2019. The station's Quarter 4, 2018 list was uploaded on January 28, 2019, which was timely.

The FCC also "suspended FCC operations" October 1, 2013, extending the time for filings due from October 7<sup>th</sup>-16<sup>th</sup>, to October 23, 2013, see DA 13-2025. The station's Quarter 3 list was uploaded on October 17, 2013, which was timely.
