

Request for Special Temporary Authority

DTV America Corporation (“Licensee”) respectfully requests Special Temporary Authority (“STA”) to remain silent while it repairs its permanent broadcast facility for this Low Power Television Station (“LPTV”) station. Specifically, the transmitter is failing to make any power. Licensee will continue to work diligently with engineers to identify the cause and facilitate an expeditious return to normal operations.

Granting this request would not implicate Section 312(g) of the Act, which generally limits silent station authorizations to 12 months.¹ In contrast, the STA requested here would be for a period of up to six months.
