(ii) a duly executed Assignment and Assumption Agreement for the Leases and the Real Property Leases, in a form reasonably agreeable to Buyer and Seller, from Company, or, in the event that necessary consents to assignment have not been obtained prior to the Closing, appropriate subleases, occupancy or use agreements pursuant to Section 2.05 hereof.

**Section 2.08. General Proration.**

(a) Subject to the terms of the Option Agreement, all Purchased Assets that would be classified as current assets in accordance with GAAP, and all Assumed Liabilities that would be classified as current liabilities in accordance with GAAP, shall be prorated between Buyer and Seller as of the Effective Time, including by taking into account the elapsed time or consumption of an asset during the month in which the Effective Time occurs (respectively, the “Prorated Purchased Assets” and the “Prorated Assumed Liabilities”). Such Prorated Purchased Assets and Prorated Assumed Liabilities relating to the period prior to the Effective Time shall be for the account of Seller and those relating to the period on and after the Effective Time for the account of Buyer and shall be prorated accordingly. In accordance with this Section 2.08, (i) Buyer shall be required to pay to Seller the amount of any Prorated Purchased Asset previously paid for by Seller, to the extent Buyer will receive a current benefit on and after the Effective Time, provided that such amount should not have been recognized as an expense in accordance with GAAP prior to the Effective Time (the “Buyer Prorated Amount”); and (ii) Seller shall be required to pay to Buyer the amount of any Prorated Assumed Liabilities to the extent they arise with respect to the operation of the Business prior to the Effective Time and are not assumed or paid for by Seller (the “Seller Prorated Amount”). Such payment by Buyer or Seller, as the case may be, shall be made within ten (10) Business Days after the Final Settlement Statement becomes final and binding upon the parties.

(b) Subject to the terms of the Option Agreement, such prorations shall include all ad valorem and other property Taxes, FCC regulatory fees, utility expenses, liabilities and obligations under Contracts, rents and similar prepaid and deferred items, reimbursable expenses and all other expenses and obligations, such as deferred revenue and prepayments and sales commissions, attributable to the ownership and operation of the Station that straddle the period before and after the Effective Time. Notwithstanding anything in this Section 2.08 to the contrary, (i) except as set forth in this clause (b), with respect to Tradeout Agreements for the sale of time for goods or services assumed by Buyer, if at the Effective Time, the Station has an

aggregate negative barter balance (i.e., the amount by which the value of air time to be provided by the Station the Effective Time exceeds the fair market value of corresponding goods and services to be received after such date), there shall be no proration or adjustment, unless the aggregate negative barter balance of the Station exceeds \$15,000, in which event such excess shall be treated as prepaid time sales of Seller, and adjusted for as a proration in Buyer's favor. In determining barter balances, the value of air time shall be based upon Seller's rates as of the Effective Time, and corresponding goods and services shall include those to be received by the Station after the Effective Time plus those received by the Station before the Effective Time to the extent conveyed by Seller to Buyer as part of the Purchased Assets, and (ii) there shall be no proration under this Section 2.08 to the extent there is an aggregate positive barter balance with respect to Tradeout Agreements. There shall also be a proration in Buyer's favor to the extent that, and equal to, the amount by which the value of the commercial spots for bonus weight advertising owed to advertisers as of the Effective Time, if any, exceeds \$15,000. For purposes of this Section 2.08(b), commercial spots shall be valued at the Average Unit Rate realized by Seller in the applicable market for the twelve month period ended as of the most recent full calendar month prior to the Closing Date. "Average Unit Rate" is calculated as (a) the total booked net revenue for commercial spots in a period divided by (b) the total number of commercial spots booked (including in such number bonus weight advertising spots granted in connection with such booked commercial spots) by third party advertising customers in such period.

(c) Accrued vacation and sick leave for Transferred Employees that is assumed by Buyer and actually granted to Transferred Employees shall be included in the prorations.

(d) At least five (5) Business Days prior to the Closing Date, Company shall provide Buyer with a good faith estimate of the prorations contemplated by this Section 2.08 (the "Estimated Settlement Statement"). Any payment required to be made by either party pursuant to such preliminary estimate shall be made by the appropriate party at the Closing in accordance therewith, absent manifest error. Company will afford Buyer reasonable access to all records and work papers used in preparing the Estimated Settlement Statement, and Buyer shall notify Company of any good faith disagreement with such calculation within two (2) Business Days of receiving the Estimated Settlement Statement. At the Closing, (i) Buyer shall be required to pay to Seller the amount equal to the Estimated Adjustment if the Estimated Adjustment is a positive number or (ii) Seller shall be required to pay to Buyer the amount equal to the Estimated Adjustment if the Estimated Adjustment is a negative number.

(e) Within ninety (90) days after the Closing Date, Buyer shall prepare and deliver to Company a proposed proration of assets and liabilities in the manner described in this Section 2.08 (the "Settlement Statement") setting forth the Seller Prorated Amount and the Buyer Prorated Amount, together with a schedule setting forth, in reasonable detail, the components thereof.

(f) Company shall provide reasonable access to such employees, books, records, financial statements, and its independent auditors as Buyer reasonably believes is necessary or desirable in connection with its preparation of the Settlement Statement.

(g) During the thirty (30)-day period following the receipt of the Settlement Statement, Company and its independent auditors shall be permitted to review and make copies reasonably required of, (i) the financial statements relating to the Settlement Statement, (ii) the working papers relating to the Settlement Statement, (iii) the books and records relating to the Settlement Statement and, (iv) any supporting schedules, analyses and other documentation relating to the Settlement Statement.

(h) The Settlement Statement shall become final and binding (the “Final Settlement Statement”) upon the parties on the 30th day following delivery thereof, unless Company gives written notice of its disagreement with the Settlement Statement (the “Notice of Disagreement”) to Buyer prior to such date. The Notice of Disagreement shall specify in reasonable detail the nature of any disagreement so asserted. If a Notice of Disagreement is given to Buyer in the period specified, then the Final Settlement Statement (as revised in accordance with clause (i) or (ii) below) shall become final and binding upon the parties on the earlier of (i) the date Buyer and Company resolve in writing any differences they have with respect to the matters specified in the Notice of Disagreement or (ii) the date any disputed matters are finally resolved in writing by the Accounting Firm.

(i) Within ten (10) Business Days after the Final Settlement Statement becomes final and binding upon the parties, (i) Buyer shall be required to pay to Seller the amount, if any, by which the Final Adjustment is higher than the Estimated Adjustment or (ii) Seller shall be required to pay to Buyer the amount, if any, by which the Estimated Adjustment is higher than the Final Adjustment, as the case may be. All payments made pursuant to this Section 2.08(i) must be made via wire transfer in immediately available funds to an account designated by the recipient party, together with interest thereon at the prime rate (as reported by *The Wall Street Journal* or, if not reported thereby, by another authoritative source) as in effect from time to time from the Effective Time to the date of actual payment.

(j) Notwithstanding the foregoing, in the event that Company delivers a Notice of Disagreement, Seller or Buyer shall be required to make a payment of any undisputed amount to the other regardless of the resolution of the disputed items contained in the Notice of Disagreement. Seller or Buyer, as applicable, shall within ten Business Days of the receipt of the Notice of Disagreement make payment to the other by wire transfer in immediately available funds of such undisputed amount owed by Seller or Buyer to the other, as the case may be, together with interest thereon, calculated as described above.

(k) During the thirty (30)-day period following the delivery of a Notice of Disagreement to Buyer that complies with the preceding paragraphs, Buyer and Company shall seek in good faith to resolve in writing any differences they may have with respect to the matters specified in the Notice of Disagreement. During such period (i) Buyer and its independent auditors, at Buyer’s sole cost and expense, shall be, and Company and its independent auditors, at Company’s sole cost and expense, shall be, in each case permitted to review and make copies reasonably required of (w) the financial statements of the Business, in the case of Buyer, and Buyer, in the case of Company, relating to the Notice of Disagreement, (x) the working papers of Company, in the case of Buyer, and Buyer, in the case of Company, and such other party’s auditors, if any, relating to the Notice of Disagreement, (y) the books and records of Company, in the case of Buyer, and Buyer, in the case of Company, relating to the Notice of Disagreement,

and (z) any supporting schedules, analyses and documentation relating to the Notice of Disagreement; and (ii) Company, in the case of Buyer, and Buyer, in the case of Company, shall provide reasonable access, upon reasonable advance notice and during normal business hours, to such employees of such other party and such other party's independent auditors, as such first party reasonably believes is necessary or desirable in connection with its review of the Notice of Disagreement.

(l) If, at the end of such thirty (30)-day period, Buyer and Company have not resolved such differences, Buyer and Company shall submit to the Accounting Firm for review and resolution any and all matters that remain in dispute and that were properly included in the Notice of Disagreement. Within sixty (60) days after selection of the Accounting Firm, Buyer and Company shall submit their respective positions to the Accounting Firm, in writing, together with any other materials relied upon in support of their respective positions. Buyer and Company shall use commercially reasonable efforts to cause the Accounting Firm to render a decision resolving the matters in dispute within thirty (30) days following the submission of such materials to the Accounting Firm. Buyer and Company agree that judgment may be entered upon the determination of the Accounting Firm in any court having jurisdiction over the party against which such determination is to be enforced. Except as specified in the following sentence, the cost of any arbitration (including the fees and expenses of the Accounting Firm) pursuant to this Section 2.08 shall be borne by Buyer and Company in inverse proportion as they may prevail on matters resolved by the Accounting Firm, which proportional allocations shall also be determined by the Accounting Firm at the time the determination of the Accounting Firm is rendered on the matters submitted. The fees and expenses (if any) of Buyer's independent auditors and attorneys incurred in connection with the review of the Notice of Disagreement shall be borne by Buyer, and the fees and expenses (if any) of Company's independent auditors and attorneys incurred in connection with their review of the Settlement Statement shall be borne by Company.

**Section 2.09.** Multi-Station Contracts. In the event that one or more Other Seller Stations is party to, or has rights or obligations with respect to, an Assumed Contract (a "Multi-Station Contract"), the rights and obligations under such Multi-Station Contract that are assigned to and assumed by Buyer (and included in the Purchased Assets and Assumed Liabilities, as the case may be) shall include only those rights and obligations under such Multi-Station Contract that are applicable to the Station. The rights of each Other Seller Station with respect to such Contract and the obligations of each Other Seller Station to such Contract shall not be assigned to and assumed by Buyer (and shall be Excluded Assets and Excluded Liabilities, as applicable). For purposes of determining the scope of the rights and obligations of the Multi-Station Contracts, the rights and obligations under each Multi-Station Contract shall be equitably allocated among (1) the Station, on the one hand, and (2) the Other Seller Stations, on the other hand, in accordance with the following equitable allocation principles:

- (a) any allocation set forth in the Multi-Station Contract shall control;
- (b) if there is no allocation in the Multi-Station Contract as described in clause (a) hereof, then any reasonable allocation previously made by Seller or its Affiliates in the ordinary course of business and disclosed on Disclosure Schedule Section 2.9(b) shall control;

(c) if there is no reasonable allocation as described in clause (b) hereof, then the quantifiable proportionate benefits and obligations to be received and performed, as the case may be, by Seller and Buyer after the Effective Time (to be determined by mutual good faith agreement of Seller and Buyer) shall control; and

(d) if there are no quantifiable proportionate benefits and obligations as described in clause (c) hereof, then reasonable accommodation (to be determined by mutual good faith agreement of Seller and Buyer) shall control.

(e) Subject to any applicable third-party Consents, such allocation and assignment with respect to any Multi-Station Contract shall be effectuated, at the election of Seller, by termination of such Multi-Station Contract in its entirety with respect to the Station and the execution of new contracts with respect to the Station or by an assignment to and assumption by Buyer of the related rights and obligations under such Multi-Station Contract. The parties shall use commercially reasonable efforts to obtain any such new contracts or assignments to, and assumptions by, Buyer in accordance with this Section 2.9 and Section 2.05; provided, that, completion of documentation of any such allocation under this Section 2.9 is not a condition to Closing unless such Multi-Station Contract is listed on and disclosed on Disclosure Schedule Section 10.03(c).

Each party agrees to comply with any condition imposed on it by the FCC Consent, except that no party shall be required to comply with a condition if (i) the condition was imposed on such party as the result of a circumstance the existence of which does not constitute a breach by that party of any of its representations, warranties or covenants hereunder, and (ii) compliance with the condition would have a Material Adverse Effect upon such party. Buyer and Seller shall oppose any petitions to deny or other objections filed with respect to the application for the FCC Consent and any requests for reconsideration or judicial review of the FCC Consent.

(c) If the Closing shall not have occurred for any reason within the original effective period of the FCC Consent, and neither party shall have terminated this Agreement under Section 11, the parties shall jointly request an extension of the effective period of the FCC Consent, as the case may be. No extension of the effective period of the FCC Consent shall limit the exercise by either party of its right to terminate the Agreement under Section 11.

## **ARTICLE VIII EMPLOYEES**

**Section 8.01.** Employment. On or before the Closing Date, Buyer may, but it is not required to offer employment as of the Closing Date to each Employee employed immediately prior to the Closing Date (except for such Employees set forth on Schedule 8.01(b) as required to remain employed by Seller) who is listed on Schedule 8.01, and who is not on authorized or unauthorized leave of absence, sick leave, short or long-term disability leave, military leave or layoff with recall rights ("Active Employees"). Employees who are on authorized leave of absence, sick leave, short or long-term disability leave, military leave or layoff with recall rights (collectively, "Inactive Employees") may be offered employment by Buyer only if they return to active employment immediately following such absence and within six (6) months of the Closing Date, or such later date as required under applicable Law. For the purposes hereof, all Active Employees, or Inactive Employees who accept Buyer's offer of employment and commence employment on the applicable Employment Commencement Date are hereinafter referred to collectively as the "Transferred Employees." The "Employment Commencement Date" as referred to herein shall mean (i) as to those Transferred Employees who are Active Employees hired upon the Closing Date, the Closing Date, and (ii) as to those Transferred Employees who are Inactive Employees, the date on which the Transferred Employee begins employment with Buyer.

**Section 8.03.** If and to the extent any Seller has entered into or is bound by any Bargaining Agreements, Buyer and Seller shall cooperate fully in the assignment and assumption of such Bargaining Agreements and in any negotiations with respect thereto such that, as of the Closing Date, Buyer shall have (whether through such an assumption, negotiations or otherwise) the same rights and obligations with respect to the Union Employees who are Transferred Employees as Seller had immediately before such date.

**Section 8.04.** Savings Plan. Buyer shall cause a tax-qualified defined contribution plan established or designated by Buyer (a “Buyer’s 401(k) Plan”) to accept rollover contributions from the Transferred Employees of any account balances distributed to them by Seller’s 401(k) Plan. Buyer shall allow any such Transferred Employees’ outstanding plan loan to be rolled into Buyer’s 401(k) Plan. The distribution and rollover described herein shall comply with applicable Law, and each party shall make all filings and take any actions required of such party by applicable Law in connection therewith. Buyer’s 401(k) Plan shall credit Transferred Employees with service credit for eligibility and vesting purposes for service recognized for the equivalent purposes under Seller’s 401(k) Plan.

**Section 8.06.** Employee Welfare Plans. Seller shall retain responsibility for and continue to pay all medical, life insurance, disability and other welfare plan expenses and benefits for each Transferred Employee with respect to claims incurred under the terms of the Employee Plans by such Employees or their covered dependents prior to the Employment Commencement Date. Expenses and benefits with respect to claims incurred by Transferred Employees or their covered dependents on or after the Employment Commencement Date shall be the responsibility of Buyer, subject to the terms and conditions of Buyer’s welfare plans. With respect to any welfare benefit plans maintained by Buyer for the benefit of Transferred Employees on and after the Employment Commencement Date, to the extent permitted by applicable Law, Buyer shall (a) cause there to be waived any eligibility requirements or pre-existing condition limitations to the same extent waived generally by Buyer with respect to its employees and (b) give effect, in determining any deductible and maximum out-of-pocket limitations, amounts paid by such Transferred Employees with respect to similar plans maintained by Seller.

**Section 8.08.** Vacation. To the extent Buyer has received a credit in the prorrations for Transferred Employees’ accrued vacation, Buyer will assume all liabilities up to the amount of that credit for unpaid, accrued vacation of each Transferred Employee as of the Employment Commencement Date, giving service credit under Buyer’s vacation policy for service with Seller, and shall permit Transferred Employees to use their vacation entitlement accrued as of the Closing Date in accordance with Buyer’s policy for carrying over unused vacation. To the extent that, following the Closing Date, Buyer’s policies do not permit a Transferred Employee to use any accrued and unused vacation for which Buyer has assumed the liabilities hereunder (other than as a result of such Transferred Employee’s failure to use such vacation despite his or her eligibility to do so, without adverse consequences, under Buyer’s policies), Buyer will pay such Transferred Employee for any such vacation. Service with both Seller and Buyer shall be taken into account in determining Transferred Employees’ vacation entitlement under Buyer’s vacation policy after the Closing Date. Notwithstanding any provision in this Agreement to the contrary, no Transferred Employee shall be entitled to receive duplicate credit for the same period of service.

**Section 8.10.** Sick Leave. To the extent Buyer has received a credit in the prorrations for Transferred Employees’ accrued sick leave, Buyer shall grant credit to such Transferred Employees (up to the amount of such prorrations) for all unused sick leave accrued by Transferred Employees on the basis of their service during the current calendar year as employees of Seller in accordance with Buyer’s policy on sick leave.

**Section 8.12.** No Further Rights. Without limiting the generality of **Error! Reference source not found.**, nothing in this **Error! Reference source not found.**, express or implied, is intended to confer on any Person (including any Transferred Employees and any current or former Employees of Seller) other than the parties hereto and their respective successors and permitted assigns any rights, benefits, remedies, obligations or liabilities under or by reason of this **Error! Reference source not found.** Accordingly, notwithstanding anything to the contrary in this **Error! Reference source not found.**, this Agreement is not intended to create a Contract between Buyer, Seller and any of their respective Affiliates on the one hand and any Employee of Seller on the other hand, and no Employee of Seller may rely on this Agreement as the basis for any breach of contract claim against Buyer or Seller.

**Section 8.14.** Flexible Spending Plan. As of the Employment Commencement Date, Seller shall transfer from the Employee Plans that are medical and dependent care account plans (each, a “Seller FSA Plan”) to one or more medical and dependent care account plans established or designated by Buyer (collectively, the “Buyer FSA Plan”) the account balances (positive or negative) of Transferred Employees, and Buyer shall be responsible for the obligations of the Seller FSA Plans to provide benefits to the Transferred Employees with respect to such transferred account balances at or after the Employment Commencement Date (whether or not such claims are incurred prior to, on or after such date). Each Transferred Employee shall be permitted to continue to have payroll deductions made as most recently elected by him or her under the applicable Seller FSA Plan. As soon as reasonably practicable following the end of the plan year for the Buyer FSA Plan, including any grace period, Buyer shall promptly reimburse Seller for benefits paid by the Seller FSA Plans to any Transferred Employee prior to the Employment Commencement Date to the extent in excess of the payroll deductions made in respect of such Transferred Employee at or prior to the Employment Commencement Date but only to the extent that such Transferred Employee continues to contribute to the Buyer FSA Plan the amount of such deficiency. This Section 8.07 shall be interpreted and administered in a manner consistent with Rev. Rul. 2002-32.

**Section 8.15.** Payroll Matters. Seller and Buyer shall utilize the following procedures for preparing and filing Internal Revenue Service Forms W-2 (Wage and Tax Statements), as described in Revenue Procedure 2004-53 for Transferred Employees:

**Section 8.17.** (i) Seller shall provide all required Forms W-2 to (x) all Transferred Employees reflecting wages paid and taxes withheld by Seller prior to the Employment Commencement Date, and (y) all other Employees and former Employees of Seller who are not Transferred Employees reflecting all wages paid and taxes withheld by Seller, and (ii) Buyer (or one of its Affiliates) shall provide all required Forms W-2 to all Transferred Employees reflecting all wages paid and taxes withheld by Buyer (or one of its Affiliates) on and after the Employment Commencement Date.

**Section 8.18.** Seller and Buyer shall adopt the “alternative procedure” of Revenue Procedure 2004-53 for purposes of filing Internal Revenue Service Forms W-4 (Employee’s Withholding Allowance Certificate) and W-5 (Earned Income Credit Advance Payment Certificate). Under this procedure, Seller shall provide to Buyer all Internal Revenue Service Forms W-4 and W-5 on file with respect to each Transferred Employee and any written notices received from the Internal Revenue Service under Reg. § 31.3402(f)(2)-1(g)(5) of the

Code, and Buyer will honor these forms until such time, if any, that such Transferred Employee submits a revised form.

**Section 8.19.** With respect to garnishments, tax levies, child support orders, and wage assignments in effect with Seller on the Employment Commencement Date for Transferred Employees and with respect to which Seller has notified Buyer in writing, Buyer shall honor such payroll deduction authorizations with respect to Transferred Employees and will continue to make payroll deductions and payments to the authorized payee, as specified by a court or order which was filed with Seller on or before the Employment Commencement Date, to the extent such payroll deductions and payments are in compliance with applicable Law, and Seller will continue to make such payroll deductions and payments to authorized payees as required by Law with respect to all other Employees of Seller who are not Transferred Employees. Seller shall, as soon as practicable after the Employment Commencement Date, provide Buyer with such information in the possession of Seller as may be reasonably requested by Buyer and necessary for Buyer to make the payroll deductions and payments to the authorized payee as required by this Section 8.19.

**Section 8.20.** WARN Act. Buyer shall not take any action on or after the Effective Date that would cause any termination of employment of any Employees by Seller that occurs before the Closing to constitute a “plant closing” or “mass layoff” under the Worker Adjustment and Retraining Act of 1988, as amended (the “WARN Act”) or any similar state or local Law, or to create any liability to Seller for any employment terminations under applicable Law. The Assumed Liabilities shall include all liabilities with respect to any amounts (including any severance, fines or penalties) payable under or pursuant to the WARN Act or any similar state or local Law with respect to any Employees who do not become Transferred Employees as a result of Buyer’s failure to extend offers of employment or continued employment as required by Section 8.01 or in connection with events that occur from and after the Closing, and Buyer shall reimburse Seller for any such amounts.]

## **ARTICLE IX TAX MATTERS**

**Section 9.01.** Bulk Sales. Seller and Buyer hereby waive compliance with the provisions of any applicable bulk sales law and no representations, warranty or covenant contained in this Agreement shall be deemed to have been breached as a result of such noncompliance; provided, however, that, subject to Section 9.02, Company shall be liable for any liability and Transfer Tax arising from such non-compliance solely in accordance with Buyer’s right to indemnification in accordance with Article XII.

**Section 9.02.** Transfer Taxes. All Transfer Taxes arising out of or in connection with the transactions effected pursuant to this Agreement shall be shared equally by Seller and Buyer. The party which has the primary responsibility under applicable Law for the payment of any particular Transfer Tax, shall prepare the relevant Tax Return and notify the other party in writing of the Transfer Taxes shown on such Tax Return. Such other party shall pay the party that paid the Transfer Tax an amount equal to fifty percent (50%) of such Transfer Taxes in immediately available funds no later than the date that is the later of (i) five (5) Business Days after the date of such notice or (ii) two (2) Business Days prior to the due date for such Transfer

Taxes. Seller and Buyer shall cooperate in the preparation, execution and filing of all Transfer Tax Returns and shall cooperate to seek and to secure any available exemptions from such Transfer Taxes.

**Section 9.03.** FIRPTA Certificate. Seller shall deliver to Buyer on the Closing Date, duly completed and executed certificates of non-foreign status pursuant to section 1.1445-2(b)(2) of the Treasury regulations sufficient to exempt Buyer from the requirements of Code Section 1445(a). The sole remedy, including for purposes of Section 10.03 and Article XI or Article XII for failure to provide any such certificate shall be to permit Buyer to make any withholding as are required pursuant to Section 1445 of the Code.

**Section 9.04.** Taxpayer Identification Numbers. The taxpayer identification numbers of Buyer and Seller are set forth on Disclosure Schedule Section 9.04.

**Section 9.05.** Taxes and Tax Returns. Subject to Section 2.08, Seller shall be liable for payment of and shall prepare and properly file on a timely basis true, complete and accurate Tax Returns and other documentation, for any and all Income Taxes incurred with respect to the Purchased Assets and the Business for any Pre-Closing Tax Period. Subject to Section 2.08, Buyer shall be liable for and payment of and shall prepare and properly file on a timely basis true, complete and accurate Tax Returns and other documentation for any and all Taxes incurred with respect to the Purchased Assets and the Business for any Post Closing Tax Period.

**Section 9.06.** Purchase Price Allocation. All amounts constituting consideration within the meaning of and for the purposes of Section 1060 of the Code shall be allocated among the Purchased Assets and any other rights acquired by Buyer hereunder, as applicable, in the manner required by Section 1060 of the Code. Within ninety (90) days following the Closing Date, Buyer shall deliver to Seller a proposed allocation prepared in accordance with the foregoing, which allocation shall be based on the results of an appraisal of the Purchased Assets conducted by Buyer in good faith. Thereafter, to the extent that Seller disagrees with Buyer's proposed allocation, Buyer and Seller shall negotiate in good faith regarding the allocation of the Purchase Price in accordance with the requirements of Section 1060 of the Code and the Treasury Regulations promulgated thereunder. If the parties reach agreement with respect to such allocation, then each party agrees to complete and timely file IRS Form 8594 (or any successor form), to file all income Tax Returns in accordance with such allocation, and to take no action inconsistent with such allocation. If the parties are unable to reach agreement with respect to such allocation, then the parties shall have no further obligation under this Section 9.06 and each party shall make its own determination of such allocation.

## **ARTICLE X**

### **CONDITIONS TO CLOSING**

**Section 10.01.** Conditions to Obligations of Buyer and Seller. The obligations of Buyer and Seller to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment or waiver, at or prior to the Closing, of each of the following conditions:

(a) No provision of any applicable Law and no Governmental Order shall prohibit the consummation of the Closing.

(b) The FCC Consent shall have been granted, notwithstanding that it may not have yet become a Final Order, unless any filing is made with the FCC that pertains to or becomes associated with any request for consent to the assignment of the FCC Licenses, in which case, Buyer shall not be obligated to close until the FCC Consent shall have become a Final Order, unless in the reasonable judgment of Buyer's counsel such objection would not reasonably be expected to result in a denial of the FCC Consent or the designation for hearing of the application for FCC Consent.

**Section 10.02.** Conditions to Obligations of Seller. The obligation of Seller to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment or waiver, at or prior to the Closing, of each of the following further conditions:

(a) The representations and warranties of Buyer made in this Agreement shall be true and correct in all material respects at and as of the Closing Date as though made at and as of that time.

**Section 10.03.** Conditions to Obligations of Buyer. The obligations of Buyer to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment or waiver, at or prior to the Closing, of each of the following further conditions:

(a) The representations and warranties of Seller made in this Agreement shall be true and correct, disregarding all qualifiers and exceptions relating to materiality or Material Adverse Effect, as of the date of this Agreement and (except to the extent such representations and warranties speak as of an earlier date, in which case such representations and warranties shall have been true and correct, disregarding all qualifiers and exceptions relating to materiality or Material Adverse Effect, as of such earlier date) as of the Closing Date as though made on and as of the Closing Date, except, in both cases, (i) for changes expressly contemplated or permitted by this Agreement, (ii) where the failures to be true and correct, individually or in the aggregate, have not had, and would not reasonably be expected to have, a Material Adverse Effect or (iii) except to the extent such failure to be true and correct results from Buyer's actions under the Option Agreement or Buyer's failure to perform or discharge its obligations as required by the Option Agreement. Seller shall have performed in all material respects all obligations required to be performed by it under this Agreement on or prior to the Closing Date. Buyer shall have received a certificate dated as of the Closing Date from Seller, executed by an authorized officer of Seller, to the effect that the conditions set forth in this Section 10.03(a) have been satisfied.

(b) Buyer shall have received the following documents:

(i) The certificate of incorporation (or equivalent organizational document) for Seller, certified as of a recent date by the Secretary of State of the applicable jurisdiction of organization;

(ii) a certificate of the Secretary of State of each jurisdiction in which Seller is organized or qualified to do business as to the good standing as of a recent date of such Seller in such jurisdiction;

(iii) a certificate of an officer of Seller, given by each such officer on behalf of such Seller and not in such officer's individual capacity, certifying as to the operating agreement (or equivalent governing document) of such Seller and as to resolutions of the board of managers (or equivalent governing body) of Seller authorizing this Agreement and the transactions contemplated hereby and thereby.

(c) Seller shall have obtained (and in the case of an affirmative consent) delivered the consents to assignment listed on Disclosure Schedule Section 10.03(c).

(d) Seller shall have delivered to Buyer (i) pay-off letters or similar documents evidencing the discharge or payment in full of the Indebtedness of Seller duly executed by each lender of the Indebtedness of Seller and (ii) mortgage discharges and termination statements on Form UCC-3, or other appropriate releases, which when filed will release and satisfy any and all Liens relating to the Indebtedness of Seller and the Purchased Assets, together with proper authority to file such termination statements or other releases at and following the Closing.

(e) Buyer shall have received Title Commitments that comply with the requirements set forth in Section 5.03.

(f) Seller shall have made, or stand ready at Closing to make, the deliveries contemplated in Section 2.07(b) and Section 2.07(c) and each Ancillary Agreement.

## **ARTICLE XI** **TERMINATION**

**Section 11.01.** Termination. This Agreement may be terminated at any time prior to the Closing as follows:

(a) by the mutual written consent of Seller and Buyer;

(b) by Buyer:

(i) upon a breach of any representation, warranty, covenant or agreement on the part of Seller set forth in this Agreement, or if any representation or warranty of Seller shall have become untrue, in either case such that the condition set forth in Section 10.03(a) would not be satisfied, unless such breach or untruth can be cured prior to Closing and after receipt of notice thereof, Seller proceeds in good faith to cure such breach or untruth as promptly as practicable; provided, however, that Buyer shall not have the right to terminate this Agreement pursuant to this Section 11.01(b)(i) if Buyer is then in breach of any of its representations, warranties, covenants or agreements contained in this Agreement to an extent which would give Seller the right not to close pursuant to Article X; or

(ii) if all of the conditions set forth in Section 10.01 and Section 10.02 have been satisfied (other than those conditions that by their nature cannot be satisfied other than at the Closing) and Seller fails to consummate the transactions contemplated by this Agreement within the earlier of (i) two (2) Business Days after the date the Closing should have occurred pursuant to Section 2.07 and (ii) the later of the date the Closing should have occurred pursuant

to Section 2.07 and one (1) Business Day before the Termination Date, and Buyer stood ready, willing and able to consummate the transactions contemplated by this Agreement during such period.

(iii) if there shall be any Law that prohibits consummation of the transactions contemplated by this Agreement or if a Governmental Authority of competent jurisdiction shall have issued a Governmental Order enjoining or otherwise prohibiting consummation of the transactions contemplated by this Agreement, and such Governmental Order shall have become final and non-appealable.

**Section 11.02. Effect of Termination.**

(a) In the event of a valid termination of this Agreement pursuant to Section 11.01, this Agreement (other than Section 7.01, this Article XI, and Article XIII, which shall remain in full force and effect) shall forthwith become null and void, and no party hereto (nor any of their respective Affiliates, directors, officers or employees) shall have any liability or further obligation, except as provided in Section 11.02(b) below. A termination of this Agreement shall not terminate the Confidentiality Agreement, nor, in each case, affect the parties' rights and obligations thereunder.

**ARTICLE XII**  
**SURVIVAL; INDEMNIFICATION**

**Section 12.01. Survival.** Subject to the terms of the Option Agreement, the representations and warranties of the parties hereto contained in or made pursuant to this Agreement or in any certificate or other writing furnished pursuant hereto or in connection herewith shall survive in full force and effect until the first anniversary of the Closing Date, provided, that the representations and warranties in the first sentence of Section 3.01, the first sentence of Section 4.01, and the representations and warranties in Section 3.02, Section 3.03, Section 4.02 and Section 4.03 shall survive in perpetuity; provided further, that the representations and warranties in Section 3.15, Section 3.16 and Section 3.19 shall survive for the applicable statute of limitations plus sixty (60) days. The agreements to indemnify in Section 12.02 and Section 12.03 shall survive Closing in perpetuity. Except as otherwise set forth in this Section 12.01, none of the covenants and agreements shall survive the Closing except to the extent such covenants and agreements contemplate performance after the Closing, in which case such covenants and agreements shall survive until performed. No claim may be brought under this Agreement unless written notice describing in reasonable detail the nature and basis of such claim is given on or prior to the last day of the applicable survival period. In the event such notice is given, the right to indemnification with respect thereto shall survive the applicable survival period until such claim is finally resolved and any obligations thereto are fully satisfied.

**Section 12.02. Indemnification by Buyer.**

(a) Subject to Section 12.01, Buyer shall indemnify against and hold harmless Seller, and its Affiliates and their respective employees, officers, directors, successors and assigns (collectively, "Seller Indemnified Parties") from, and agrees to promptly defend any Seller Indemnified Party from and reimburse any Seller Indemnified Party for, any and all losses,

damages, costs, expenses, liabilities, obligations and claims of any kind (including any Action brought by any Governmental Authority or Person and including reasonable attorneys' fees and expenses reasonably incurred) (collectively, "Losses"), which such Seller Indemnified Party may at any time suffer or incur, or become subject to, as a result of or in connection with:

(i) Buyer's breach of any of its representations or warranties contained in this Agreement or the Option Agreement (each such breach, a "Buyer Warranty Breach");

(ii) any breach or nonfulfillment of any agreement or covenant of Buyer under the terms of this Agreement;

(iii) the Assumed Liabilities;

(iv) the ownership, business or operation of the Purchased Assets or the Station after the Effective Time; or

(v) the business and operation of the Station prior to the Effective Time to the extent caused by Buyer's actions or obligations in connection with the Station relating to the Option Agreement.

(b) Notwithstanding any other provision to the contrary, Buyer shall not be required to indemnify and hold harmless any Seller Indemnified Party pursuant to Section 12.02(a): (A) unless such Seller Indemnified Party has asserted a claim with respect to such matters within the applicable survival period set forth in Section 12.01 and (B) until the aggregate amount of Seller Indemnified Parties' Losses resulting from Buyer Warranty Breaches exceeds \$200,000 (the "Threshold") and then to the full amount of such Losses; provided, however, that the cumulative indemnification obligation of Buyer under this Section 12.02(b) shall in no event exceed Two Million Dollars (\$2,000,000) (the "Cap"), provided further, however, that the Threshold and Cap shall not apply in the case of any indemnification under clauses (ii), (iii) and (iv) of Section 12.02(a).

**Section 12.03. Indemnification by Seller.**

(a) Subject to Section 12.01, Seller, jointly and severally, shall indemnify against and hold harmless Buyer, its Affiliates and their respective employees, officers, directors, successors and assigns (collectively, the "Buyer Indemnified Parties") from, and agrees to promptly defend any Buyer Indemnified Party from and reimburse any Buyer Indemnified Party for, any and all Losses which such Buyer Indemnified Party may at any time suffer or incur, or become subject to, as a result of or in connection with

(i) Seller's breach of any of the representations or warranties contained in this Agreement (each such breach, a "Seller Warranty Breach");

(ii) any breach or nonfulfillment of any agreement or covenant of Seller under the terms of this Agreement;

- (iii) the Excluded Liabilities or, subject to Section 9.02, any failure to comply with laws relating to bulk sales;
- (iv) the Excluded Assets; and
- (v) the ownership, business or operation of the Purchased Assets prior to the Effective Time.

(b) Notwithstanding any other provision to the contrary, Seller shall not be required to indemnify and hold harmless any Buyer Indemnified Party pursuant to Section 12.03(a): (A) unless such Buyer Indemnified Party has asserted a claim with respect to such matters within the applicable survival period set forth in Section 12.01 and (B) until the aggregate amount of Buyer Indemnified Parties' Losses resulting from Seller Warranty Breaches exceeds the Threshold and then to the full extent of such Losses; provided, however, that the cumulative indemnification obligation of Seller under this Section 12.03(b) shall in no event exceed the Cap; provided further, however, that the Threshold and Cap shall not apply in the case of any indemnification under clauses (ii), (iii), (iv), and (v) of Section 12.03(a).

**Section 12.04. Notification of Claims.**

(a) A party entitled to be indemnified pursuant to Section 12.02 or Section 12.03 (the "Indemnified Party") shall promptly notify the party liable for such indemnification (the "Indemnifying Party") in writing of any claim or demand that the Indemnified Party has determined has given or could give rise to a right of indemnification under this Agreement; provided, however, that a failure to give prompt notice or to include any specified information in any notice will not affect the rights or obligations of any party hereunder except and only to the extent that, as a result of such failure, any party that was entitled to receive such notice was damaged as a result of such failure. Subject to the Indemnifying Party's right to defend in good faith third party claims as hereinafter provided, the Indemnifying Party shall satisfy its obligations under this Article XII within thirty (30) days after the receipt of written notice thereof from the Indemnified Party.

(b) If the Indemnified Party shall notify the Indemnifying Party of any claim or demand pursuant to Section 12.04(a), the Indemnifying Party shall have the right to employ counsel reasonably acceptable to the Indemnified Party to defend any such claim or demand asserted against the Indemnified Party for so long as the Indemnifying Party shall continue in good faith to diligently defend against such action or claim. The Indemnified Party shall have the right to participate in the defense of any such claim or demand at its own expense. The Indemnifying Party shall notify the Indemnified Party in writing, as promptly as possible (but in any case five (5) Business Days before the due date for the answer or response to a claim) after the date of the notice of claim given by the Indemnified Party to the Indemnifying Party under Section 12.04(a) of its election to defend in good faith any such third party claim or demand. So long as the Indemnifying Party is defending in good faith any such claim or demand asserted by a third party against the Indemnified Party, the Indemnified Party shall not settle or compromise such claim or demand without the consent of the Indemnifying Party, which consent shall not be unreasonably withheld, and the Indemnified Party shall make available to the Indemnifying Party or its agents all records and other material in the Indemnified Party's possession reasonably

required by it for its use in contesting any third party claim or demand. Whether or not the Indemnifying Party elects to defend any such claim or demand, the Indemnified Party shall have no obligations to do so. In the event: (i) the Indemnifying Party elects not to defend such claim or action; or (ii) the Indemnifying Party elects to defend such claim or action but fails to diligently defend such claim or action in good faith, the Indemnified Party shall have the right to conduct the defense thereof and to settle or compromise such claim or action without the consent of the Indemnifying Party, except that with respect to the settlement or compromise of such a claim, demand or action, the Indemnified Party shall not settle or compromise any such claim or demand or action without the consent of the Indemnifying Party (such consent not to be unreasonably withheld), unless the Indemnifying Party is given a full and completed release of any and all liability by all relevant parties relating thereto and has no obligation to pay any damages.

**Section 12.05. Net Losses; Subrogation; Mitigation.**

(a) Notwithstanding anything contained herein to the contrary, the amount of any Losses incurred or suffered by an Indemnified Party shall be calculated after giving effect to (i) any insurance proceeds received by the Indemnified Person (or any of its Affiliates) with respect to such Losses and (ii) any recoveries obtained by the Indemnified Party (or any of its Affiliates) from any other third party. Each Indemnified Party shall exercise commercially reasonable efforts to obtain such proceeds, benefits and recoveries. If any such proceeds, benefits or recoveries are received by an Indemnified Party (or any of its Affiliates) with respect to any Losses after an Indemnifying Party has made a payment to the Indemnified Party with respect thereto, the Indemnified Party (or such Affiliate) shall pay to the Indemnifying Party the amount of such proceeds, benefits or recoveries (up to the amount of the Indemnifying Party's payment). With respect to any Losses incurred or suffered by an Indemnified Party, no liability shall attach to the Indemnifying Party in respect of any Losses to the extent that the same Losses have been recovered by the Indemnified Person from the Indemnifying Party, accordingly, the Indemnified Person may only recover once in respect of the same Loss.

(b) Upon making any payment to an Indemnified Party in respect of any Losses, the Indemnifying Party shall, to the extent of such payment, be subrogated to all rights of the Indemnified Party (and its Affiliates) against any third party in respect of the Losses to which such payment relates. Such Indemnified Party (and its Affiliates) and Indemnifying Party shall execute upon request all instruments reasonably necessary to evidence or further perfect such subrogation rights.

(c) Buyer and Seller shall use commercially reasonable efforts to mitigate any Losses, whether by asserting claims against a third party or by otherwise qualifying for a benefit that would reduce or eliminate an indemnified matter; provided, however, that no party shall be required to use such efforts if they would be demonstrably detrimental in any material respect to such party.

**Section 12.06. Computation of Indemnifiable Losses.** Any calculation of Losses for purposes of this Article XII shall be (a) reduced to take account of any net Tax benefit actually realized by the Indemnified Party arising from the deductibility of any such Loss in the year such Loss is incurred; and (b) increased to take account of any net Tax liability actually

realized by the Indemnified Party arising from the receipt or accrual of any indemnity obligation hereunder. To the extent permitted by law, all indemnity payments made pursuant to this Agreement shall be treated by the parties hereto as an adjustment to the Purchase Price.

**Section 12.07. Exclusive Remedies.** Buyer and Seller acknowledge and agree that, if the Closing occurs, the indemnification provisions of this Article XII shall be the sole and exclusive remedies of Buyer and Seller for any breach of the representations or warranties or nonperformance of any covenants and agreements of Buyer or Seller contained in this Agreement or any Ancillary Agreement, and neither party shall have any liability to the other party under any circumstances for special, indirect, consequential, punitive or exemplary damages, or lost profits, diminution in value or any damages based on any type of multiple of earnings of any Indemnified Party; provided, however, that nothing contained in this Agreement shall relieve or limit the liability of either party from any liability or Losses arising out of or resulting from fraud or intentional breach in connection with the transactions contemplated in this Agreement or the Ancillary Agreements.

**Section 12.08. No Special Damages, Mitigation.** No Indemnifying Party shall be liable to any Indemnified Party for special, indirect, consequential, punitive or exemplary damages, or lost profits, diminution in value or any damages based on any type of multiple of earnings.

**Section 12.09. Treatment of Indemnity Benefits.** All payments made by Seller or Buyer, as the case may be, to or for the benefit of the other pursuant to any indemnification obligations under this Agreement shall be treated as adjustments to the Purchase Price for Tax purposes and such agreed treatment shall govern for purposes of this Agreement.

## **ARTICLE XIII**

### **GENERAL PROVISIONS**

**Section 13.01. **Section 13.03.** Headings. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

**Section 13.04.** Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced because of any Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner adverse to either party hereto. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

**Section 13.05.** Entire Agreement. This Agreement, the Confidentiality Agreement and the Ancillary Agreements constitute the entire agreement of the parties hereto with respect to the subject matter hereof and thereof and supersede all prior agreements and undertakings, both written and oral, between Seller and Buyer with respect to the subject matter hereof and thereof, except as otherwise expressly provided herein.

**Section 13.06.** Successors and Assigns.

(a) This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns. Neither party may assign its rights under this Agreement without the other party's prior written consent; provided, however, that (a) Buyer may assign its rights hereunder to an Affiliate of Buyer or to a third party upon written notice to, but without consent of, Seller, provided that, (i) any such assignee delivers to Seller a

written assumption of this Agreement, (ii) Buyer shall remain liable for all of its obligations hereunder, and (iii) Buyer shall be solely responsible for any third party consents necessary in connection therewith (none of which are a condition to Closing).

(b) If Buyer elects to engage in a like-kind exchange with respect to a portion of the Purchased Assets and treat such Purchased Assets as property received in a like-kind exchange pursuant to Section 1031 of the Code, Buyer shall notify Seller of such election in writing no later than five (5) days prior to the Closing, identifying those Purchased Assets that Buyer intends to qualify as part of a like-kind exchange, and Seller shall undertake all actions reasonably requested by Buyer in writing in connection with Buyer's like-kind exchange, including consenting to Buyer's transfer of its rights in this Agreement to a "qualified intermediary", as defined in Treasury Regulation Section 1.1031(k)-1(g)(4); *provided, however*, that such actions do not impose any liabilities, including any monetary obligations or costs, on Seller and do not release Seller or Buyer from its obligations under this Agreement and that Buyer shall promptly reimburse Seller for any third-party costs reasonably incurred in connection with such election, including as the result of any subsequent review of such election or any attendant tax consequences by any governmental authority.

**Section 13.07. No Recourse.** No past, present or future director, officer, employee, incorporator, member, partner, equity-holder, Affiliate, agent, attorney or representative of Seller, Buyer or any of their Affiliates shall have any liability for any obligations or liabilities of Seller or Buyer, respectively, under this Agreement or for any claim (whether in contract or tort, in law or in equity, or based upon any theory that seeks to "pierce the corporate veil" or impose liability of an entity against its owners or Affiliates or otherwise), liability or any other obligation arising under, based on, in respect of, in connection with, or by reason of, this Agreement or the transactions contemplated hereby, including its negotiation and/or execution.

**Section 13.08. No Third-Party Beneficiaries.** Except as expressly provided in Article IX, Article XII and Section 13.06, this Agreement is for the sole benefit of the parties hereto and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person or entity any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

**Section 13.09. Amendments and Waivers.**

(a) This Agreement may not be amended or modified except by an instrument in writing signed by Company, the FCC Licensee (only to the extent that any amendment or modification adversely effects the FCC Licensee's obligations under this Agreement) and Buyer.

(b) At any time prior to the Closing, either party may (i) extend the time for the performance of any of the obligations or other acts of the other party hereto, (ii) waive any inaccuracies in the representations and warranties of the other party hereto contained herein or in any document delivered pursuant hereto or (iii) waive compliance by the other party hereto with any of the agreements or conditions contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party to be bound thereby.

(c) No failure or delay by either party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

**Section 13.10. Governing Law; Consent to Jurisdiction.**

(a) This Agreement and the negotiation, execution, performance or nonperformance, interpretation, termination, construction and all matters based upon, arising out of or related to this Agreement, whether arising in law or in equity (collectively, the “Covered Matters”), and all claims or causes of action (whether in contract or tort) that may be based upon, arise out of or relate to the Covered Matters, except for documents, agreements and instruments that specify otherwise, shall be governed by the laws of the State of Delaware without giving effect to the choice of law provisions thereof. All recording matters relating to the conveyance of each parcel of Owned Real Property will be conducted in conformity with the applicable requirements of local law governing the location of such parcel.

(b) All Actions arising out of or relating to this Agreement shall be heard and determined exclusively in the Delaware Chancery Court, and the parties hereto hereby irrevocably submit to the exclusive jurisdiction of such courts (and, in the case of appeals, appropriate appellate courts therefrom) in any such Action and irrevocably waive the defense of an inconvenient forum to the maintenance of any such action or proceeding. The consents to jurisdiction set forth in this Section 13.10 shall not constitute general consents to service of process in the State of Delaware and shall have no effect for any purpose except as provided in this Section 13.10 and shall not be deemed to confer rights on any third party. The parties hereto agree that a final judgment in any such action shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable law.

**Section 13.11. Specific Performance.** Notwithstanding anything else in the agreement to the contrary, the parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that the parties hereto do not perform the provisions of this Agreement (including failing to take such actions as are required of it hereunder to consummate this Agreement) in accordance with its specified terms or otherwise breach such provisions. The parties acknowledge and agree that the parties shall be entitled to an injunction, specific performance and other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, this being in addition to any other remedy to which they are entitled at law or in equity. Each of the parties agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that the other parties have an adequate remedy at law or an award of specific performance is not an appropriate remedy for any reason at law or equity. Any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

**Section 13.12. WAIVER OF JURY TRIAL.** BUYER AND SELLER HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION,

PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE ACTIONS OF BUYER OR SELLER IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE AND ENFORCEMENT HEREOF.

**Section 13.13.** Counterparts. This Agreement may be executed in one or more counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or e-mail shall be effective as delivery of a manually executed counterpart of this Agreement.

**Section 13.14.** No Presumption. This Agreement shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting or causing any instrument to be drafted.

**Section 13.15.** Disclosure Schedules.

(a) The parties acknowledge and agree that (i) matters reflected in the Disclosure Schedules are not necessarily limited to the matters required by the Agreement to be disclosed in the Disclosure Schedules, (ii) the Disclosure Schedules may include certain items and information solely for informational purposes for the convenience of the parties and (iii) the disclosure by Seller of any matter in the Disclosure Schedules shall not be deemed to constitute an acknowledgment by Seller that the matter is required to be disclosed by the terms of this Agreement or that the matter is material. The specification of any dollar amount in the representations and warranties contained in the Agreement or the inclusion of any specific item in the Disclosure Schedules are not intended to imply that such amounts are within or outside the ordinary course of business for purposes of the Agreement.

(b) If and to the extent any information required to be furnished in any section of the Disclosure Schedules is contained in the Agreement or in any section of the Disclosure Schedules, such information shall be deemed to be included in all sections of the Disclosure Schedules to the extent that the relevance of any such information to any other section of the Disclosure Schedules is readily apparent from the text of such disclosure.

(c) Seller has disclosed the information contained in the Disclosure Schedules solely for purposes of the Agreement, and no information contained therein shall be deemed to be an admission by any party thereto to any third party of any matter whatsoever, including of any violation of Law or breach of any agreement.

**Section 13.16.** Actions Pursuant to the Option Agreement. Notwithstanding anything contained in this Agreement to the contrary, Seller shall not be deemed to have breached any of its representations, warranties, covenants or agreements contained herein or to have failed to satisfy any condition precedent to Buyer's obligation to perform under this Agreement (nor shall the Seller have any indemnification or other liability or responsibility to Buyer in respect of any such representations, warranties, covenants, agreements or conditions precedent), in each case to the extent that the inaccuracy of any such representation, the breach of any such warranty, covenant or agreement or the inability to satisfy any such condition

precedent is principally caused by (i) any actions taken by or under the control of Buyer or its Affiliates (or any of their respective officers, directors, employees, agents or representatives) in connection with Buyer's performance of its obligations under the Option Agreement or otherwise, or (ii) the failure of Buyer to perform or discharge any of its obligations as required by the Option Agreement. Notwithstanding anything contained in this Agreement to the contrary, Seller shall not have any indemnification or other liability or responsibility to Buyer in respect of any breach of any representation or warranty in this Agreement or in any Ancillary Agreement if Buyer has knowledge that such representation or warranty was untrue or inaccurate. Notwithstanding anything contained in this Agreement to the contrary, Seller shall not have any indemnification or other liability or responsibility to Buyer in respect of any obligations or liabilities assumed by Buyer under the Option Agreement or arising out of or caused by Buyer's actions in connection with the Option Agreement or failure to perform or discharge its obligations as required by the Option Agreement.

## Schedule B

1. Notwithstanding anything in this Agreement to the contrary, in the event that Optionor is a party to a channel sharing agreement (a "CSA") concerning the Station and the other party to the CSA (the "CSA Partner") participates Successfully (as defined below) in the Incentive Auction, Optionor and Optionee shall have the right to terminate this Agreement immediately upon written notice to Optionee and Optionor shall have no further obligations hereunder or under the APA if the Option was previously exercised. This right to terminate applies whether Optionor is currently a party to a CSA or enters into a post-Incentive Auction CSA with a CSA Partner which relinquishes its spectrum usage rights in the Incentive Auction. For the purposes of this Agreement, participating "Successfully" in the Incentive Auction means that the FCC shall have issued a decision, order, public notice or other official public announcement designating that the CSA Partner's bid for the CSA Partner's television broadcast station subject to the CSA (the "CSA Partner's Station") is a "winning bid," or otherwise stating that the FCC and CSA Partner are entering into a final binding commitment pursuant to which the FCC will purchase, and the CSA Partner will relinquish, all of the CSA Partner's spectrum usage rights associated with CSA Partner's Station.

2. During the period beginning on the Effective Date and ending upon the later of the termination of this Agreement or the expiration of the Option Exercise Period:

(a) Optionee shall pay to Optionor the amount equal to (i) all reasonable expenses incurred by Optionor related to maintaining and replacing the Assets, including but not limited to reasonable standard insurance related to the Assets and the cost of up to two (2) employees, such expenses subject to prior reasonable approval by Optionee, minus (ii) the amount equal to 50% of all revenues received by Optionor from the Station, during such period, to the extent the calculation results in a positive number. Expenses incurred by Optionor pursuant to 2(a)(i) above shall be net of any insurance proceeds received by Optionor related to the Assets. Optionor and Optionee shall meet on quarterly basis to determine reasonable expenses and payment schedules relating hereto.

(b) For a period of five (5) years from the date of this Agreement, if Optionee, in keeping with the requirements of this Agreement, sells, transfers or assigns this Agreement or the Assets to a third party other than SagamoreHill Broadcasting, LLC or its affiliates or subsidiaries, then Optionee shall pay to Optionor at the closing of such sale, transfer or assignment 50% of the gross consideration paid to Optionee from the third party buyer, transferee or assignee.

3. Subject to the rules and regulations of the FCC, Optionor shall use commercially reasonable efforts and take all necessary action or omission within Optionor's control to (i) ensure that the channel position and carriage of the Station immediately prior to the date of the Asset Purchase Agreement between Seller and Purchaser dated July 19, 2016 on any MVPD is available to Optionee for the programming that Optionee purchased pursuant to such Asset Purchase Agreement, and (ii) upon request from Optionee, transfer the call letters of the Station to Optionee and/or, subject to application for a call sign change approved by the FCC, change the call letters of the Station to call letters other than the current call letters of the Station.

4. After delivery by Optionee to Optionor of the Exercise Notice, upon notice by the Optionee at the option of Optionee, in lieu of transferring the Assets to Optionee pursuant to the APA, the Optionor will, at the direction of the Optionee and at the timing determined by Optionee, (x) forfeit the FCC Licenses to the FCC, (y) if applicable, cause the Station to participate in a future broadcast television spectrum incentive auction conducted by the FCC or (z) agree to continue to be the FCC licensee for the Station and transfer all the Assets other than the FCC Licenses and transmission equipment to Optionee under the substantially the same terms of the APA (revised for the removal of the transfer of FCC Licenses and transmission equipment and adding any additional third-party consent requirements) and enter into an option agreement (in a form approved by Optionor and Optionee) and either, as determined by Optionee, and subject to paragraph 2(a) of this Schedule B, enter into a Master Services Agreement with Optionee (in a form approved by Optionor and Optionee) or enter into a Tower and Studio Agreement (in a form approved by Optionor and Optionee); provided that Optionee shall still be obligated to pay Optionor the Purchase Price (as defined in the APA and which shall be the same as the Option exercise price described in Section 4 of the Agreement) at the time the FCC Licenses are forfeited to the FCC pursuant to (x) above or other assets are transferred to Optionee pursuant to (z) above.
