**Re: Assignee Buildout Certification for Low-Power Television Stations
Requests to Extend Construction Permit**

Dear Ms. Dortch:

Gray Television Licensee, LLC (“Gray”), the proposed assignee of the construction permits for the below listed low power television stations (collectively, the “LPTV Permits”), hereby provides this letter pursuant to request of Commission staff to confirm the statements made in the requests to extend the construction permits.

Call Sign	Community of License	State	Facility ID No.	Extension Request File No.	Assignment of Permit File No.
W23EF-D	Tallahassee	Florida	183593	0000139552	0000139119
W33DH-D	Eau Claire	Wisconsin	184506	0000139548	0000139119
K31PR-D	Tyler	Texas	182595	0000139547	0000139119
WDDY-LD (W15DD-D)	Jackson	Tennessee	185331	0000139550	0000139119
WHJK-LD (W20DJ-D)	Jackson	Tennessee	185366	0000139551	0000139119
W31EV-D	Wausau	Wisconsin	184339	0000139549	0000139119
KMZB-LD	Amarillo	Texas	183926	0000139554	0000139115
W14ER-D	Eau Claire	Wisconsin	185705	0000139553	0000139115
K24NY-D	Paragould	Arkansas	188802	0000139555	0000139115
W20DW-D	Clarksdale	Mississippi	188792	0000139556	0000139115

Specifically, subject to modification of certain of the construction permits, Gray has a present intent to complete construction of the permits prior to July 13, 2021 or, if necessary, and to the extent that the requested additional time is granted, prior to January 13, 2022.

Should you have any questions regarding Gray’s intention to buildout the LPTV Permits, please contact the undersigned.

Respectfully submitted,

Robert J. Folliard, III
Assistant Secretary
