**Online Public Inspection File**

The Board of Regents, New Mexico State University, licensee of noncommercial educational radio station KRUX(FM), Las Cruces, New Mexico, reports the following with regard to the timely placement of certain items into the station's public inspection file. The KRUX online public inspection file is now complete, but certain quarterly issues and programs lists for 2020 (1Q, 2Q, 3Q) and 2019 (Q4) were uploaded late to the file during the current license term due to staff error. Importantly, however, KRUX later updated the station's online public inspection file to include these documents once it became aware of the missing items. KRUX regrets the delay in the appearance of these reports in the online public inspection file, but believes that the station's online public file is now complete and includes all required materials.
