

**Non-*Pro Forma* Assignment Application**  
**Assignee Multiple Ownership Compliance**

The proposed transaction, which involves the sale and acquisition of a single commercial television station in each of the Cedar Rapids-Waterloo-Iowa City & Dubuque and Salt Lake City Nielsen DMAs to an assignee and attributable parties that neither own nor hold any other attributable television, radio or newspaper interests in either market (1) does not implicate and therefore fully complies with the newspaper/broadcast or radio/television cross-ownership restrictions, (2) does not implicate or trigger an “8 Voices Test,” and therefore fully complies with the local television multiple ownership restrictions, (3) involves no joint sales agreement such that any attribution analysis would be necessary under the ownership rules, and (4) will not result in the proposed assignee or any party to the application having an attributable interest in commercial television stations with a national audience reach exceeding 39 percent. Accordingly, the proposed transaction fully complies with 47 CFR §73.3555.
