

Purpose of Amendment

Applicant, Delmarva Educational Association, licensee of KKTH(FM), Bosque Farms, New Mexico (Facility ID No. 65704) (“KKTH”), hereby amends KKTH’s license renewal application (LMS File No. 0000145942), to provide information regarding KKTH’s silence since April 16, 2021. Applicant inadvertently failed to disclose in KKTH’s original license renewal application, filed on May 18, 2021, that KKTH had been silent since April 16, 2021. Accordingly, Applicant seeks to rectify that oversight by making the following changes to KKTH’s license renewal application:

- *Adherence to Minimum Operating Schedule* – Changed answer to question from “Yes” to “No”
- *Silent Station* – Changed answer from “Yes” to No”
- *Periods of Silence Exhibit* – Upload an exhibit explaining KKTH’s current silence.

No other changes to KKTH’s license renewal application are being made herein.
