

Update to FCC Form 396 filing

The Station's FCC form 396 (LMS File No. 0000141893) is being updated to provide the 2020-2021 EEO Public File report which was inadvertently excluded in the original filing on March 30, 2021. Due to an upload issue, the 2019-2020 EEO Public File Report was submitted twice in error.
