

**WKYC
EEO Program Report**

Narrative Statement

WKYC serves the greater good of Northeast Ohio through multiple levels of community engagement. Station employees visit schools, participate in non-profit organization events, speak on leadership panels, and serve on community boards and advisory groups. WKYC also provides internships and mentorships and hosts various student and community groups who wish to learn about the media industry and careers. WKYC employees have many opportunities for personal training including innovation projects, diversity and inclusion coaching, and updated skills education as technology continues to evolve.
