

**Reason for Amendment**

WBNX-TV's timely-filed 2020 Children's Television Programming Report is being amended and refiled on May 28, 2021, in order to correct the total number of hours of regularly scheduled Digital Core Programming broadcast per quarter by the station on the main program stream. The Station under reported in each quarter. Certain calculation errors in the Digital Core Programs section for programs 1, 2, and 6 are also being corrected. No other changes have been made to the report.
