**ONLINE PUBLIC FILE**

In preparing its license renewal filing, the Station conducted an audit of its online public file. Due to administrative oversight, certain material was not timely uploaded to the online public file as detailed below:

- Commercial Limits Certification for 4Q2013 was uploaded on 4/3/2014.
- Issues and Programs Reports for 4Q2013 and 1Q2014 were uploaded on 4/14/2014.
- Issues and Programs Report for 3Q2014 was uploaded on 4/8/2015.
- EEO Mid-Term Report was uploaded on 6/8/2017.
- EEO Annual Public File Report for 2017 was uploaded on 5/21/2021.

In addition, the Station timely filed its 1Q2016 Children's Programming Report on 4/6/2016. Although the report contained the information for 1Q, it mistakenly was marked as a report for 2Q. The station filed a corrected report on 4/13/2016.
