**MEDIA BUREAU ESTABLISHES PLEADING CYCLE FOR APPLICATIONS FILED
FOR THE ASSIGNMENT OF BROADCAST LICENSES FROM MEREDITH
CORPORATION TO GRAY TELEVISION, INC., AND DESIGNATES PROCEEDING
AS PERMIT-BUT-DISCLOSE FOR *EX PARTE* PURPOSES**

MB Docket No. 21-234

Petition to Deny Date: June 25, 2021

Opposition Date: July 12, 2021

Reply Date: July 22, 2021

On May 14, 2021, the Federal Communications Commission (Commission) accepted for filing applications (Applications) seeking approval of Gray Television, Inc.'s (Gray) proposed acquisition (Transaction) of the Commission licenses and related station assets of Meredith Corporation (Meredith) (Gray and Meredith collectively are herein referred to as the Applicants).¹ Specifically, the Applications seek consent to the long-form assignment to Gray of the television licenses listed in the Attachment to this Public Notice (Station Licenses), which are currently held directly by Meredith or its three wholly-owned subsidiaries: KVVU Broadcasting Corporation; KPHO Broadcasting Corporation; and KPTV-KPDX Broadcasting Corporation. In addition, in order to effect an internal reorganization, the Applications seek consent to the pro forma assignments of the Station Licenses to Gray Television Licensee, LLC, which is an indirect, wholly-owned subsidiary of Gray. The proposed \$2.7 billion cash merger Transaction would result in Gray acquiring Meredith's entire broadcast television portfolio which includes 16 full-power television stations in 12 markets.²

¹ Copies of the Applications are available in the Commission's Licensing Management System (LMS).

² See LMS File No. 0000145590, Comprehensive Exhibit at 3-5, 33-34. The proposed Transaction also includes Meredith's low-power and translator stations that are listed in the Attachment to this Public Notice. It will be accomplished through a two-step process. First, following the spin-off of Meredith's National Media Group operating division (which operates magazine titles and other non-FCC-related digital and marketing assets) and MNI Targeted Media, Inc. to a new public company to be owned by Meredith's existing shareholders, Gray will acquire Meredith's other operating division, known as the Local Media Group, which will hold only the Station Licenses and related broadcast station assets. Second, immediately following the consummation of the Merger, Gray will effectuate an internal reorganization. Meredith and its wholly owned subsidiaries that hold the Station Licenses will be merged, directly or indirectly through a series of mergers, with and into Gray Television Licensee, LLC, with Gray Television Licensee, LLC as the surviving entity. See *id.*

Gray has agreed to divest one station in the Flint-Saginaw-Bay City, Michigan Designated Market Area (DMA) to facilitate Commission approval of the Transaction.³ It contends that the Flint-Saginaw-Bay City DMA is the only market where the acquisition of a same-market Meredith station would raise local ownership issues.⁴ Gray has begun a formal process to market WJRT-TV, Flint, Michigan (WJRT-TV). After the Transaction and the associated divestiture is consummated, Gray has committed that it will not exercise control over, or have any financial interest in or sharing arrangement with, WJRT-TV.⁵

The Applicants report that after consummation of the proposed Transaction, including the WJRT-TV divestiture, and taking into account a 50 percent discount for UHF stations (UHF Discount), Gray would have a national reach of 25 percent of U.S. households.⁶ Accordingly, Gray asserts that the transaction would be in compliance with the national television ownership rule, which prohibits a single entity from owning or controlling television stations that, in the aggregate, reach more than 39 percent of the total television households in the United States after taking into account the UHF Discount.⁷

EX PARTE STATUS OF THIS PROCEEDING

In order to assure the staff's ability to discuss and obtain information needed to resolve the issues presented, by this Public Notice and pursuant to Section 1.1200(a) of the Commission's rules,⁸ we establish a docket for this proceeding and announce that the *ex parte* procedures applicable to permit-but-disclose proceedings will govern our consideration of these applications.⁹

³ Comprehensive Exhibit at 4-5, 30-31.

⁴ In 2017, the Commission modified certain of its media ownership rules, including 47 CFR 73.3555(b) (Local Television Ownership Rule). See *2014 Quadrennial Regulatory Review – Review of the Commission's Broadcast Ownership Rules and Other Rules Adopted Pursuant to Section 202 of the Telecommunications Act of 1996*, Order on Reconsideration and Notice of Proposed Rulemaking, 32 FCC Rcd 9802 (2017) (2017 Order on Reconsideration) (modifying the Local Television Ownership Rule to allow that, *inter alia*, “[a]n entity may directly or indirectly own, operate, or control two television stations licensed in the same [DMA]... if: (i) The digital noise limited service contours of the stations (computed in accordance with § 73.622(e)) do not overlap; or (ii) At the time the application to acquire or construct the station(s) is filed, at least one of the stations is not ranked among the top four stations in the DMA, based on the most recent all-day (9 a.m. - midnight) audience share, as measured by Nielsen Media Research or by any comparable professional, accepted audience ratings service.”). After the Third Circuit vacated the 2017 Order on Reconsideration in *Prometheus Radio Project v. FCC*, 939 F.3d 567 (3d Cir. 2019), the Commission reinstated the more restrictive rules that were in place prior to the 2017 Order on Reconsideration. See *2014 Quadrennial Regulatory Review - Review of the Commission's Broadcast Ownership Rules and Other Rules Adopted Pursuant to Section 202 of the Telecommunications Act of 1996 et al.*, MB Docket No. 14-50 et al., Order, 34 FCC Rcd 12360 (MB 2019) (reinstating the Local Television Ownership Rule as it existed in the *2014 Quadrennial Review Order - Review of the Commission's Broadcast Ownership Rules and Other Rules Adopted Pursuant to Section 202 of the Telecommunication s Act of 1996 et al.*, MB Docket No. 14-50 et al., Second Report and Order, 31 FCC Rcd 9864 (2016)). The United States Supreme Court then unanimously reversed the Third Circuit decision. See *FCC v. Prometheus Radio Project*, 141 S.Ct. 1150 (2021). The Third Circuit has since vacated its 2019 ruling. See *Prometheus Radio Project v. FCC*, No. 17-1107, 2021 WL 1831811 (3d Cir. May 7, 2021). Consequently, the Bureau will evaluate this Transaction consistent with the Local Television Ownership Rule as adopted in the 2017 Order on Reconsideration.

⁵ Comprehensive Exhibit at 4-5, 30. The WJRT-TV divestiture will occur prior to or simultaneously with the consummation of the Transaction.
