

Certification Regarding Compliance with Children's Programming Commercial Limits During the Preceding License Term

As a standard practice, all programs designed for children 12 years of age and younger that were broadcast on the station were formatted to allow no more than 10.5 minutes of commercial time per hour on weekends and 12 minutes of commercial matter per hours on weekdays. There were no occasions during the preceding license term on which these limitations were exceeded. We note, however, that a commercial for Hot Wheels Super Ultimate Garage was aired on eleven occasions during eight episodes of Team Hot Wheels between November 10, 2018 and December 16, 2018. The commercial was pulled from the program immediately after discovery.

Applicant also notes that it omitted the list of programming designed for children 12 years of age and younger during the third quarter of 2017 through the second quarter of 2018 in its Commercial Limits Certifications for such periods, but has since uploaded amended certifications for such periods to the Public Inspection File.
