ONLINE PUBLIC INSPECTION FILE

To date, KTDX has uploaded its required/relevant Issues/Programs Lists onto its online public inspection file, but several of these lists were inadvertently uploaded late. Additionally, the Q1 2021 Issues/Programs Lists have not yet been uploaded to the KTDX online public inspection file. The Q1 2021 Issues/Programs Lists for KTDX will be uploaded ASAP, and an amendment to the instant renewal application will be subsequently filed.
