(Hannibal, Missouri)	)	

**REPORT AND ORDER**

**(Proceeding Terminated)**

**Adopted: May 21, 2021**

**Released: May 21, 2021**

By the Chief, Video Division, Media Bureau:

1. The Video Division, Media Bureau (Bureau), has before it a Notice of Proposed Rulemaking<sup>1</sup> issued in response to a Petition for Rulemaking filed by KHQA Licensee, LLC (Licensee), the licensee of KHQA-TV (CBS), channel 7, Hannibal, Missouri. The Licensee has requested the substitution of UHF channel 22 for VHF channel 7 in the DTV Table of Allotments.<sup>2</sup>

2. The Licensee filed comments in support of the petition, as required by the Commission's rules,<sup>3</sup> reaffirming its commitment to apply for channel 22. No other comments were filed. We believe the public interest would be served by substituting channel 22 for channel 7 at Hannibal, Missouri. The Licensee states that the Commission has recognized that VHF channels have certain propagation characteristics which may cause reception issues for some viewers, and that the reception of VHF signals requires larger antennas generally not well suited to the mobile applications relative to UHF channels.<sup>4</sup> In addition, according to the Licensee, KHQA-TV has received numerous complaints from viewers unable to receive the Station's over-the-air signal, despite being able to receive signals from other stations.<sup>5</sup> Moreover, there would be no loss of service because the noise limited contour of the proposed channel 22 facility completely encompasses the licensed channel 7 facility's noise limited contour.<sup>6</sup>

---

<sup>1</sup>*Amendment of Section 73.73.622(i), Post-Transition Table of DTV Allotments, Television Stations (Hannibal, Missouri)*, MB Docket No. 21-71, Notice of Proposed Rulemaking, DA 21-269 (rel. Mar. 4, 2021) (*NPRM*).

<sup>2</sup> As noted in the *NPRM*, on April 13, 2017, the Commission completed the incentive auction and broadcast television spectrum repacking authorized by the Spectrum Act, and the post-incentive auction transition period ended on July 13, 2020. The Bureau will amend the rules to reflect all new full power channel assignments in a revised Table of Allotments, but because the Table has not yet been amended, the Bureau has continued to refer to the Post-Transition Table of DTV Allotments, 47 CFR § 73.622(i) (2018), for the purpose of this proceeding. See *NPRM* at n.2.

<sup>3</sup> 47 CFR §§ 1.415, 1.419; see also *Buffalo, Iola, Normangee, and Madisonville, Texas*, MB Docket No. 07-729, Report and Order, 24 FCC Rcd 8192, 8194, para. 9 (Aud. Div. 2009).

<sup>4</sup> *NPRM* at para. 2. While the Licensee contends that the channel substitution would benefit ATSC 3.0 reception in addition to ATSC 1.0 reception, *id.*, we do not find that the Licensee's arguments concerning ATSC 3.0 reception to be a controlling factor in our decision, especially given the early stages of deployment and limited availability of consumer devices.

<sup>5</sup> *Id.*

<sup>6</sup> *Id.*

3. As proposed, channel 22 can be substituted for channel 7 at Hannibal, Missouri, in compliance with the principal community coverage requirements of section 73.625(a) of the Commission's rules (rules),<sup>7</sup> at coordinates 39-58-22.0 N and 91-19-55.0 W. In addition, we find that this channel change meets the technical requirements set forth in sections 73.616 and 73.623 of the rules with the following specifications:<sup>8</sup>

<u>City and State</u>	<u>DTV Channel</u>	<u>DTV Power (kW)</u>	<u>Antenna HAAT (m)</u>	<u>DTV Service Pop.</u>
Hannibal, Missouri	22	975	271	338,756

4. We also conclude that good cause exists to make this channel change effective immediately upon publication in the Federal Register, pursuant to section 553(d)(3) of the Administrative Procedure Act.<sup>9</sup> An expedited effective date is necessary in this case to ensure that KHQA-TV can operate with improved service to its viewers as quickly as possible.

5. Accordingly, pursuant to the authority contained in sections 4(i), 5(c)(1), 303(g) and (r) and 307(b) of the Communications Act of 1934, as amended, 47 U.S.C. §§ 154(i), 155(c)(1), 303(g), (r), and 307(b), and sections 0.61, 0.204(b) and 0.283 of the Commission's rules, 47 CFR §§ 0.61, 0.204(b), and 0.283, **IT IS ORDERED**, That effective immediately upon the date of publication in the Federal Register, the DTV Table of Allotments, section 73.622(i) of the Commission's rules, 47 CFR § 73.622(i), **IS AMENDED**, with respect to the community listed below, to read as follows:

<u>City and State</u>	<u>Channel No.</u>
Hannibal, Missouri	22

6. **IT IS FURTHER ORDERED**, That within 30 days of the effective date of this Order, KHQA Licensee, LLC shall submit to the Commission a minor change application for a construction permit (Form 2100, Schedule A) specifying channel 22 in lieu of channel 7.

7. **IT IS FURTHER ORDERED**, That pursuant to section 801(a)(1)(A) of the Congressional Review Act, 5 U.S.C. § 801(a)(1)(A), the Commission **SHALL SEND** a copy of the Order to Congress and to the Government Accountability Office.

8. **IT IS FURTHER ORDERED**, That should no petitions for reconsideration or petitions for judicial review be timely filed, MB Docket No. 21-71 and RM-11887 **SHALL BE TERMINATED** and its docket closed.

9. For further information concerning the proceeding listed above, contact Joyce L. Bernstein, Video Division, Media Bureau, (202) 418-1647, Joyce.Bernstein@fcc.gov.
