(b) Programmer. Without limitation, from the Commencement Date of this LMA, Programmer shall pay the following:

(iii) Any and all fees charged by ASCAP, BMI, and SESAC ("Music Licensing Fees") for programming aired after the Commencement Date of this LMA.

9. Control of Station. Notwithstanding anything in this LMA to the contrary, Licensee hereby certifies, pursuant to Note 2 of FCC Rule 73.3555, section (j)(3), that Licensee shall at all times retain, and hereby so certifies that it has, ultimate control over the Station's operations, including but not limited to its finances, personnel, and programming. Programmer certifies that this Agreement complies with the provisions of FCC Rule 73.3555(a), (c) and (d). Licensee will maintain a main studio for the Station as required by FCC Rules and shall provide for a management presence which Licensee deems necessary and appropriate for the operation of the Station in the public interest (except Programmer has the option of providing office/studio facilities on behalf of Licensee). Licensee will also maintain a public inspection file at the main studio which will include all items required to be retained under FCC rules and policies, including but not limited to this LMA. Licensee shall retain the right to (a) reject any programming proffered by Programmer under this LMA if, in the sole opinion of Licensee, such programming is in violation of the requirements of the Act or the FCC Rules or other governmental policy or rule, contains content that violates the rights of any third party, or otherwise is inconsistent with the public interest, or (b) substitute programs that it believes to be of greater local or national importance or that are designed to address the problems, needs, and interests of the local communities.

10. Force Majeure. Licensee shall not be liable to Programmer or be deemed to be in breach of this LMA for any malfunction of the Station's facilities, or for any delay or interruption in the broadcast of programming proffered by Programmer, due to acts of God, strikes or threats thereof, or other causes beyond the reasonable control of Licensee.

11. Retention of Broadcast Rights. 12. Filing with FCC. The Parties will cooperate in obtaining any required FCC approval of this LMA. To that end, the Parties will negotiate in good faith to amend any provision which the FCC advises the Parties, either formally or informally, is unlawful. If required by the FCC, the Parties will file a copy of this LMA with the FCC within thirty (30) days from the Effective Date of this LMA.

13. Indemnification: Insurance.

(a) Programmer hereby indemnifies and otherwise holds Licensee harmless against any and all liability to the extent arising out of (i) the acts or omissions of Programmer, or Programmer's employees, agents or contractors, under or in connection with this LMA or with respect to the Station that involve or result in libel, slander, illegal competition or trade practices; infringement of trademarks, trade names, or program titles; and infringement of copyrights or proprietary rights resulting from the carriage of programming supplied by Programmer over the Station's broadcast transmission facilities, (ii) any content of the LMA programming, (iii) any music license fees for which Programmer is responsible, (iv) any other matters related to, or involving, Programmer's activities under this LMA, or (v) any breach by Programmer of its obligations under this LMA. Licensee shall have the right to refuse to broadcast any programming proffered by Programmer under this LMA which, in the sole opinion of Licensee, contains matter which is or may be in violation of any right of any third party or constitute a personal attack under FCC Rules or policy or as otherwise provided in this LMA; provided, however, that any failure by Licensee to refuse to broadcast shall not limit its right to being indemnified and held harmless. Programmer shall maintain broadcasters' liability insurance policies covering libel, slander, invasion of privacy and the like, general liability, blanket crime, property damage, business interruption, automobile liability, and workers' compensation insurance in forms and amounts customary in the radio broadcast industry. Programmer will name Licensee as an additional insured under such policies to the extent that their respective interests may appear and will provide for notice to Licensee prior to cancellation thereof. Upon request, Programmer shall provide Licensee with certificates evidencing such insurance and shall further provide certificates evidencing renewal thereof prior to the expiration of such policies.

(i) Programmer acknowledges and agrees that (a) it is solely responsible for determining whether any matter or action by it complies with the Act, the FCC Rules, or other applicable ordinances, regulations, or laws (collectively, the "Laws"); (b) any review by Licensee of any matter presented for its consent, approval, or other action shall be for Licensee's own purposes, and any consent or approval, if given, or any failure by Licensee to reject, terminate, or otherwise act with respect to any matter or activity shall not constitute a representation or other assurance that such matter or activity complies with the Laws; and (c) any consent or approval by Licensee or any failure to reject, terminate, or take any other action shall not limit Programmer's obligation to indemnify and hold Licensee harmless as provided in this LMA.

(b) Except as herein provided, Licensee hereby agrees to indemnify and hold Programmer and the property of Programmer free and harmless from any and all claims, demands, liabilities, obligations, actions, suits, proceedings, losses, damages, costs, expenses, assessments, judgments, recoveries, and deficiencies, including interest, penalties, and reasonable attorneys' fees and expenses, of any kind and description, contingent or otherwise (the foregoing hereinafter collectively referred to as "Damages"), to the extent occasioned by, arising out of, or resulting from (i) Licensee's activities in the operation of the Station in accordance with this LMA, but expressly excluding from such activities any related to, or arising from, the broadcast of programming provided by Programmer or other matters where, as between Licensee and Programmer, Programmer has the responsibility, or (ii) any breach by Licensee of its obligations under this LMA. Licensee shall maintain the existing general liability insurance policies on the Station. Licensee will name Programmer as an additional insured under such policies to the extent that their respective interests may appear and will provide for notice to Programmer prior to cancellation thereof. Upon request, Licensee shall provide Programmer with certificates evidencing such insurance and shall further provide certificates evidencing renewal thereof prior to the expiration of such policies.

14. Representations.

(a) Joint Representations. The Parties represent to each other that they are each legally qualified, authorized, and otherwise able to enter into this LMA.

(b) Licensee Representations. Licensee represents (y) that it has all licenses and other authorizations from the FCC and other governmental authorities necessary to operate the Station as currently operated and (z) that it is not aware of any investigation, complaint, petition, objection, or other event, existing or threatened, which, if acted on in a manner adverse to Licensee, would have a material adverse impact on the Station's FCC authorizations or the Station's current operations.

15. Events of Default.

(a) Definition of Default. The following shall each constitute, after the expiration of any applicable cure period, an Event of Default:

(i) Non-Payment. Programmer's failure to make payments to Licensee as required by Paragraph 6 of this LMA.

(ii) Breach of Representation. If any representation or warranty made in this LMA by any Party, or in any certificate or document furnished pursuant to the provisions hereof, shall prove to have been false or misleading in any material respect as of the time made or furnished.

(iii) Breach of Covenants. A Party is in material breach of any obligation or representation assumed or made under this LMA, including but not limited to, compliance with the Act and FCC rules and policies.

(b) Cure Periods. An Event of Default, apart from a failure to make payments to Licensee as required by Paragraph 6 hereinabove, shall not be deemed to have occurred until the expiration of fifteen (15) business days after one Party has provided the other party with written notice specifying the event or events that, if not cured, would constitute an Event of Default, and the Party in receipt of such notice has not cured the default or otherwise demonstrated that there is no default.

(c) Termination upon Default. In the event of the occurrence of an Event of Default, either Party may terminate this LMA without further liability to the other Party except for amounts accrued but not yet paid to Licensee under Paragraph 6 (unless the liability for such payments is offset by damages incurred by Programmer).

16. Specific Performance and Rights to Cure.

(a) The Parties agree that the Assets and the business opportunity represented by this LMA are unique and are not readily available on the open market and the Programmer and/or Licensee would each be irreparably injured by the other's failure to perform its obligations hereunder. Accordingly, upon any Event of Default by Licensee, Programmer shall have the right to seek specific performance of this LMA.

(b) Upon an Event of Default by Programmer, Licensee at its election may do the following:

(i) Keep the Advance Deposit as the sole and exclusive remedy available to Seller for such failure;

(ii) Bring suit against Buyer for Seller's actual damages and apply the Advance Deposit against the damages awarded to Seller; or

(iii) Pursue any other rights or remedies available at law or equity.

(c) Upon any Event of Default under Section 15(a)(iii) above and the giving of notice thereof and a failure to cure with the time specified, the other Party shall have the right to cure such default and to seek damages from the other for its costs and expenses of such cure and for any other damages proximately caused.

(d) Any and all operating equipment and/or software purchased, leased, or otherwise acquired by Programmer to be used in the operation of the Station ("Programmer

Acquired Assets”) shall at all times remain the property of Programmer. In the event of an early termination of this LMA due to a default, breach, or abandonment of the facilities and their operation by Programmer, such Programmer Acquired Assets may be retained by Licensee at Licensee’s sole option and, in the event they are retained, the value of such Programmer Acquired Assets may be used as an offset against Programmer’s liquidated damages specified in Paragraph 16(a)(ii) hereinabove.

17. Finders, Consultants, and Programmer. The Parties hereby represent and warrant to one another that there has been no finder or consultant involved in the negotiations leading up to the execution of this LMA other than MCH Enterprises, Inc., whose fees shall be paid by Programmer.

18. Waivers. No waiver or delay by a Party of any provision of this LMA shall be considered a waiver of any other provision or any subsequent breach of the same or any other provision, including the time for performance of any such provision. The exercise by a Party of any remedy provided in this LMA or at law shall not prevent the exercise by that Party of any other remedy provided in this LMA or at law.

19. Governing Law, Venue and Attorney Fees. This LMA shall be construed in accordance with the laws of the State of Alaska. In the event either party commences a legal action regarding this LMA, such action shall only be brought in the court of appropriate jurisdiction in Borough Anchorage, State of Alaska, and both Parties consent to personal jurisdiction by such court and agree that venue shall properly lie there. In any such action, the party most prevailing shall be entitled to recover its costs of suit and reasonable attorneys’ fees, including costs and reasonable attorneys’ fees on appeal.

22. Counterpart Signatures; Warranties. This Agreement (and each amendment, modification and waiver in respect of it) may be executed in any number of counterparts, and each such counterpart shall be deemed to be an original instrument, but all such counterparts together shall constitute but one instrument. Delivery of an executed counterpart of a signature page of this Agreement (and each amendment, modification and waiver in respect of it) by facsimile or other electronic transmission shall be effective as delivery of a manually executed original counterpart of each such instrument.. Each of the persons signing this LMA on behalf of an entity warrants
