

Explanation of Amendment

The assignor's portion of the application is being amended in response to a request from Commission staff to modify language in Section 1.5 of the Purchase Agreement and to modify the form of Security Agreement attached to the Purchase Agreement as an exhibit. An amendment to the Asset Purchase Agreement and a revised form of Security Agreement are attached as exhibits.

Additionally, the Assignee's "Parties to the Application" has been revised to delete Your Public Radio Holding Corporation, which had originally been listed as the parent of Your Public Radio Corporation. As the Commission is aware, the Officers and Directors of Your Public Radio Holding Corporation and Your Public Radio Corporation, which are identical, have voted to approve the merger of Your Public Radio Holding Corporation down into Your Public Radio Corporation. See LMS File Nos. 0000150919 (granted July 15, 2021) and 0000150921 (granted July 16, 2021).
