Dear Licensee,

This concerns the requests to reinstate and extend license and silent authority (Requests) filed by Prism Broadcasting Network, Inc. (Prism) licensee of the above-captioned low power television stations (Stations). We are unable to process the Requests without additional information. Therefore, please provide the following information for each of the stations:

1. Since the station went silent, a detailed accounting of all steps taken to resume operations including dates for each action and supporting documentation.
2. Since the station went silent, a detailed accounting of any and all compelling circumstances outside of your control that prevented the resumption of service including dates of each circumstance and supporting documentation. Please describe how such circumstance(s) directly impacted the resumption of service.
3. For those stations that remain silent, a detailed accounting of what construction remains and a timeline plan of how and when you expect to complete construction and begin operations.

Please file the above-outlined information in the form of an amendment to each of the Requests. You are reminded that all statements must be truthful and are being filed under penalty of perjury.

Failure to submit this information within 30 days of the date of this letter will result in the dismissal of the Requests and cancellation of the Stations licenses.

For questions or additional information on this matter, please contact Shaun Maher, Video Division, Media Bureau at 202-418-2324 or [Shaun.Maher@fcc.gov](mailto:Shaun.Maher@fcc.gov).

Sincerely,

/s/
