

KEXA Online Public Inspection File

Inspiration Media Network, LLC, is the licensee of KEXA (Facility ID No. 67104), King City, CA. Inspiration Media Network acquired KEXA on September 1, 2017. As such, it is responsible for public file materials only after that date. During the period since its most recent license renewal KEXA did not fully comply with certain online public inspection file (OPIF) requirements as provided in Section 73.3526 of the Commission's rules.¹ Specifically, KEXA uploaded its required quarterly Issues/Programs Lists after the deadline provided in the Commission's rules.

Inspiration Media Network appreciates its obligation to fully comply with the Commission's rules, including all deadlines for uploading required material to KEXA's OPIF. However, as the Commission knows, the transition to the OPIF has been challenging for a number of radio stations, especially those with small staffs, such as KEXA. These errors were discovered as part of a review in preparation for the filing of this renewal. All of KEXA's quarterly Issues/Programs Lists since Inspiration Media took control of the station are now in KEXA's OPIF, and Inspiration Media Network is committed to ensuring KEXA complies with the Commission's rules fully going forward.
