

IVOX RADIO LLC  
Application for Renewal of License  
July 2021

**Online Public Inspection File**

IVOX RADIO LLC closed on the application for assignment of licenses for the stations specified in this license renewal application on June 9, 2021 (File No. 0000137460). Because the application was an assignment and not a transfer of FCC licenses, this license renewal application covers the time period from June 9, 2021 through the present. For that reason, IVOX RADIO is not required to file a biennial ownership report until later this year.

Similarly, the first quarterly issues and programs list for the station should have been uploaded to the full power station's online public inspection file by July 10, 2021. The report was not uploaded by July 10 but is being uploaded to the station's online public inspection file today.
