

Suspension of Analog Operations

On January 7, 2013, WRJK-LD, Arlington Heights, Illinois (Facility ID No. 68061) (“WRJK-LD”), suspended analog operations on Channel 22,¹ when it commenced digital operations pursuant to Special Temporary Authority (“STA”) on Channel 24.² WRJK-LD is currently operating digitally on Channel 11 pursuant to STA³ while its displacement application for digital operations on Channel 36 remains pending.⁴

¹ See CDBS File No. BLTT-19991020AAO.

² See CDBS File No. BSTA-20130107ACX (as extended).

³ See LMS File No. 0000086734, *as most recently extended* LMS File No. 0000116579 (granted July 30, 2021; expires Jan. 10, 2022).

⁴ See LMS File No. 0000105856 (filed Feb. 11, 2020). WRJK-LD has a construction permit to operate digitally on Channel 36, but subsequently filed a displacement application on February 11, 2020 to operate digitally on Channel 11. See LMS File No. 0000054928 (granted Sept. 24, 2018; expires Jan. 10, 2022).
