

TIME BROKERAGE AGREEMENT

This is a TIME BROKERAGE AGREEMENT ("Agreement") effective the 1st day of August, 2021, by and between Laurie Broadcasting, Inc., Licensee of Radio Station WLTG-AM at Upper Grand Lagoon, Florida (hereinafter referred to as "the Licensee"), and Faith Radio Network, Inc. (hereinafter referred to as "Broker").

RECITALS:

WHEREAS, Broker desires to produce radio programs in conformity with this Agreement and all rules, regulations and policies of the FCC; and

WHEREAS, the Licensee has broadcast time available for use by Broker; and

WHEREAS, Broker desires to avail itself of such broadcast time and provide certain programs for broadcast on the Station in conformity with the terms of this Agreement; and

NOW THEREFORE, in consideration of the above recitals and of the mutual promises and covenants contained in this Agreement, the parties, intending to be legally bound, agree as follows:

1. LICENSEE'S TRANSMISSION FACILITIES. Licensee agrees to make its broadcast transmission facilities available to Broker and to broadcast over the Station certain Programs of Broker which are to originate from a studio facility established by the Broker. The Programs to be delivered by the Broker are described in **Appendix 1**, which is attached to and made a part of this Agreement. Any changes in the schedule of regular Programs must be provided by Broker to the Licensee at least twenty-four (24) hours in advance.

2. TIMES AND RATES.

(a) The times and charges for the Programs to be broadcast are fully set forth in **Appendix 2**, attached to this Agreement, and are subject to change by mutual consent of the parties. Broker agrees to pay Licensee for the broadcast of the Programs the amounts specified in **Appendix 2** on a monthly basis. The Payments are due and payable in full on the first day of each broadcast month. The failure of the Licensee to demand or insist upon prompt payment in accordance with this Agreement will not constitute a waiver of its right to do so.

(b) Broker shall be entitled to a credit against or partial refund of payments made to the Licensee pursuant to this Agreement under the conditions set forth and described in **Appendix 2**.

3. TERM. The term of this Agreement shall commence in accordance upon the execution of this Agreement and, unless sooner terminated in accordance with the terms

hereof, shall continue for an initial term of thirty-six (36) months. This Agreement is subject to renewal thereafter by mutual agreement of the parties.

4. PROGRAMMING AND PROGRAMMING STANDARDS.

(a) Broker will furnish the artistic personnel and all materials for the Programs provided for by this Agreement. All Programs will be delivered to Station's studios suitable for broadcast in a manner satisfactory to the Licensee. Licensee maintains the right to request from Broker, at least twenty-four (24) hours before the broadcast of such Programs, that Broker provide the Licensee with complete copies of the commercial, informational, or public service continuity and the script or type of musical selections to be performed during the following twenty-four (24) hours.

(b) All Programs supplied by Broker shall be prepared, written and broadcast in conformity with the regulations and restrictions set forth in **Appendix 3 ("Regulations and Restrictions of Radio Station WLTG")** attached to this Agreement. Broker acknowledges **Appendix 3** to be an integral part of this Agreement, and agrees to abide by the standards set forth in that Appendix in its programming and operations. The Licensee reserves the right to refuse to broadcast, suspend or cancel any Programs which do not, in the Licensee's sole discretion, determined in good faith, maintain a quality consistent with its policies and standards. If, in addition, the continuity, script or musical selections furnished by Broker fail to conform to the regulations and restrictions set forth in **Appendix 3**, the Licensee shall have the right, without prejudice to any other rights it may also have, to (1) furnish or substitute continuity, script or musical selections prepared by the Licensee, or (2) edit the continuity, script or musical selections as furnished or (3) refuse to furnish transmission facilities to Broker. In all such cases, however, the Licensee will use its best efforts and due diligence to notify Broker of any changes or substitutions in advance of the broadcast.

(c) All rights, title and interest in and to any of Broker's programming, including the right to authorize the use of Broker's programming in any manner and in any media, shall be and remain vested at all times solely in Broker.

(d) In order for the Licensee to remain in compliance with the rules and regulations of the FCC, there shall be no restrictions placed upon the Licensee's editorial discretion to present controversial community issue-oriented programming, special events programming, or emergency programming. As a courtesy to Broker, the Licensee will use its best efforts and due diligence to notify Broker of any controversial, special or emergency programming that Broker may deem incompatible with Broker's entertainment programming format. However, Broker has no right to place any present or future restrictions upon Licensee's discretion to broadcast such programming.

5. RIGHTS TO SELL AND TO RETAIN REVENUES.

(a). Subject to the Licensee's right to review, reject, and/or preempt Broker's programming, Broker shall have the right to sell advertising time for the program time purchased from the Licensee pursuant to this Agreement. Broker shall be entitled to keep as its sole and exclusive property all monies, revenues (including, but not limited to, advertising revenues), profits, royalties, fees, trades and other consideration arising from the broadcast time that Broker purchases. **In offering the commercial inventory of the Station for sale to third parties and in otherwise holding itself out to third parties, in no instance will the Broker represent, suggest or otherwise give the impression that Broker has any ownership of, control over or connection with the operation of the Station.** Broker will affirmatively state to third parties in the sale of the Station's commercial inventory that Broker is acting as a time broker of Station's commercial inventory and programming only, and that except for such role as time broker, Broker has no other connection with or control over Station's programming, finances or operations.

(b). Non-Discrimination. No contract for advertising on the Station shall discriminate on the basis of race or ethnicity, and all such contracts shall be evaluated, negotiated and completed without regard to race or ethnicity. All such contracts shall include a clause to such effect in all contracts for advertising on the Station.

6. OPERATION OF STATION.

(a) Management Authority and Control.

Notwithstanding anything to the contrary in this Agreement, the Licensee shall have full authority and power over the operation of the Station during the period of this Agreement. The Licensee shall provide and pay for the General Manager for the Station, who shall report solely to and be accountable solely to the Licensee, and who shall direct the day-to-day operation of the Station. The Licensee shall retain control, said control to be reasonably exercised, over the policies, programming and operations of the Station, including, without limitation, the right to decide whether to accept or reject any programming or advertisements, the right to preempt any Program in order to broadcast a program deemed by the Licensee to be of greater national, regional, or local interest, and the right to take any other actions necessary for compliance with the laws of the United States, the State of Florida, and the rules, regulations, and policies of the Federal Communications Commission ("FCC"), including Section 310(d) of the Communications Act of 1934, as amended. The parties mutually agree that this Agreement will, at all times, be subject to the rules, regulations and policies of the FCC and that neither will take any action which would be inconsistent with such rules, regulations and policies. If any provision of this Agreement, or any Appendix or attachment to it, is deemed to be in violation of any present or future FCC rules, regulations and policies, the parties agree to mutually cooperate in modifying this Agreement in such

manner as is necessary to effect compliance.

(b) Coordination of Technical Operation.

(i) Broker will advise the Licensee of the name, telephone number and address of the representative of Broker who will be responsible for the day-to-day activities of Broker at the Broadcast Facilities, and who will be available to discuss with the General Manager of the Licensee all matters pertaining to the physical condition of, and technical matters concerning, the Broadcast.

(ii) Broker will give the Licensee immediate telephone Notice, followed by written confirmation, of any operating deficiency regarding the Station as soon as practical after Broker has actual knowledge thereof. Likewise, the Licensee will give Broker immediate telephone notice, followed by written confirmation, of any operating deficiency regarding the Station after the Licensee has actual knowledge thereof.

(c) Handling of Mail. The Licensee shall not be required to receive or handle mail, cables, telegraph or telephone calls in connection with the Programs broadcast under the terms of this Agreement unless the Licensee, at the request of Broker, has agreed in writing to do so. In this event, the receiving and handling will be at the sole risk and responsibility of Broker and Broker will reimburse the Licensee for all expenses incurred by it. If any of the Programs are used to solicit listeners to order merchandise, and if any person so solicited complains to the Licensee concerning the quality or failure to receive merchandise ordered pursuant to solicitation on the Programs covered, Broker will, within ten (10) days after notification from the Licensee, refund to such person the purchase price of such merchandise whether or not Broker or Broker's agent has a record of actually having received an order from such person. Upon failure of Broker or Broker's agent to make such refund, the Licensee may make such refund and Broker will reimburse the Licensee within ten (10) days.

(d) Station Identification, EAS Tests & Duty Operators. During all hours when Broker is delivering programming for broadcast over the Station, Broker shall include in its programming, at the appropriate times, the hourly station identification announcement required by the FCC rules and policies to be broadcast over the Station. During all hours when the Station is in operation, Broker shall provide and compensate a duty operator for the Station. Such duty operator shall be subject to the supervision and direction of the Licensee. Additionally, during all hours when Broker's programming is being broadcast over the Station, Broker shall maintain at the location from which the programming is being originated a receiver capable of receiving test messages and alerts over the Emergency Alert System ("EAS"), which EAS receiver shall be either continuously monitored or compliance with the FCC's EAS rules shall be made in any other legal manner. If an EAS test or alert is received during the hours when Broker is delivering its programming for broadcast over the Station, Broker shall cause the appropriate EAS test or alert message to be transmitted over the Station and shall, in the event of an actual activation of the Emergency Alert System, cause all steps that the

Station is required to take in such an event, and shall be responsible for assuring that the receipt and broadcast of all EAS tests and alerts are properly recorded in the Station's log. In the event Licensee suffers any loss, damage or liability, including without limitation a forfeiture imposed by the FCC, as a result of Broker's failure to perform its obligations pursuant to this Section, Broker shall immediately indemnify Licensee for any such loss, damage or liability. The failure of Broker to perform its obligations pursuant to this Section shall not constitute a basis for termination of this Agreement, unless such failures shall persist after repeated warnings by the Licensee.

7. PROGRAMMING RESPONSIBILITIES OF THE LICENSEE.

(a) Community Issue Programming. It is understood and agreed that the Licensee has certain public interest obligations and responsibilities to broadcast programming which covers issues of public importance to the local community. The Licensee will ascertain local issues to be addressed on the Station and will prepare the periodic listings of local needs and issues required by the FCC, and to the extent necessary, Broker will cooperate with and assist the Licensee in preparing and/or airing the responsive programs. The parties intend that the Licensee will use a substantial portion of the air time so reserved to it to satisfy its programming obligations. From time to time, the Licensee shall air specific programming on issues of importance to the local community. Further, the Licensee will prepare a list of the local community issues which will be covered by the Station in each calendar quarter during the term of the Agreement. The Licensee will also prepare an Issues/Programming Report listing the local issues that were addressed by the Station during each calendar quarter together with other detailed information regarding the same, and will file the Issues/Programming Report in the Station's Online Public Inspection File on a timely basis. Nothing in this Agreement shall abrogate the unrestricted authority of the Licensee to discharge its obligations to the public and to comply with the law, and rules and policies of the FCC.

(b) Station Identification and Public Service Announcements. The Licensee shall coordinate with Broker the Station's hourly station identification announcements to be aired in accord with FCC rules. Broker agrees to broadcast a reasonable amount of public service announcements (PSA's) per week. Broker and the Licensee shall consult as necessary as to the selection and broadcast of such PSA'S, subject to the final authority of the Licensee.

(c) Special Events Programming. The Licensee reserves the right in its discretion, and without liability, to preempt one or more of the Programs referred to, and to such part of the time contracted for in this Agreement by Broker, as the Licensee, in its sole discretion, deems necessary for the broadcast of special events of local, regional or national importance. In all such cases, the Licensee will use its best efforts to give Broker reasonable notice of its intention to preempt such broadcast or broadcasts, and, in the event of such preemption, Broker shall receive a payment credit for the broadcast or broadcasts so

omitted, as provided in **Appendix 2**, unless made at some substituted time which is mutually satisfactory to the parties. Should the Licensee determine, in its sole discretion, that a specific program should be broadcast by the Station during the hours made available to Broker on a regularly scheduled basis, the Licensee will have the right to do so upon giving reasonable Notice to Broker.

(d) Emergency Programming. The Licensee also retains the right to interrupt Broker's programming at any time, in case of an emergency, although both parties shall cooperate in the broadcast of emergency information over the Station. Broker agrees that the Licensee, in its discretion, may preempt broadcast time purchased by Broker and cause the Station to air certain programs in advancing the Station's public interest responsibilities, and may require Broker's reasonable assistance in the production of those programs. Broker agrees to provide all reasonable assistance in both the production and broadcast of such programs.

8. RESPONSIBILITY FOR EMPLOYEES AND EXPENSES.

(a) By Broker.

(i) Program Production Costs, Licenses and Fees. Broker shall be solely responsible for the salaries, payroll taxes, insurance, and related costs for all personnel used by Broker in the production of its programming and advertising sales, and for any publicity or promotional expenses incurred by Broker. Broker will reimburse Licensee for all telephone charges associated with program production and listener response, for all fees to ASCAP, BMI, SESAC, and for any other copyright fees attributable to programming broadcast on the station pursuant to this Agreement, including fees charged by any programming provider, network or syndicator.

(ii) Program Transmission Costs. Broker shall be solely responsible for any expenses incurred in the origination and/or delivery of programming from any remote location and the Main Studios of Station, including electric power at the Station's transmitter site, routine maintenance of the Station's transmitter and antenna, including replacement tubes and spare parts.

(iii) Taxes Attributable to Broker's Operations. Broker covenants, warrants and agrees that all taxes (of whatever nature, including but not limited to, federal and local, income, excise, sales, use or withholding taxes) which heretofore have been or hereafter may be imposed upon any sales solicited on the broadcasts shall be paid by Broker or Broker's agent and Broker shall at all times indemnify and hold the Licensee harmless from and against any or all claims arising out of any failure of Broker or Broker's agent to pay such taxes. For the purposes of this agreement, any advertiser or entity which is solicited by Broker or representative of Broker for any Program, or participation in any Program, shall be deemed to be Broker's agent.

(iv) **Other Reimbursable Business and Incidental Expenses.** Attached hereto as **Appendix 4** is a comprehensive list of regular monthly business expenses relating to the operation of the Station that Broker shall reimburse Licensee for -- but not pay directly. This list of reimbursable expenses may be updated from time to time by the mutual consent of the parties. Furthermore, **the parties acknowledge and agree that Broker should reimburse Licensee for these expenses -- rather than pay them directly -- so as to comply with the general policies of the FCC that safeguard against unauthorized and premature transfers of control of broadcast licenses.**

(b) **By The Licensee.**

(i) **Other Management and Operating Costs.** The Licensee will provide, and be responsible for, the Station's personnel necessary for the management and operation of the Station other than programming and programming personnel, and will be responsible for the salaries, taxes, and related costs for such Station personnel. Whenever on the Station's premises, all personnel, whether that of the Licensee or of Broker, will be subject to the supervision and the direction of the Licensee. The Licensee hereby designates A.D. Whitehurst as the General Manager responsible for the day-to-day oversight of the Station's broadcast operations.

(ii) **Online Public Inspection File.** The Licensee shall continue, at its expense, to maintain the Station's Online Public Inspection File on the FCC's website.

9. FORCE MAJEURE. Any failure or impairment of facilities or any delay or interruption in Broadcasting Programs, or failure at any time to furnish facilities, in whole or in part, for broadcasting, due to acts of God, strikes or threats thereof or force majeure, or due to causes beyond the control of the Licensee, shall not constitute a breach of this Agreement and the Licensee will not be liable to Broker, except to the extent of allowing in each such case a pro rata payment credit for such time or broadcasts at the rates indicated in **Appendix 2.**

10. COMPLIANCE WITH LAW. Broker agrees that, throughout the term of this Agreement, Broker will comply with all laws and regulations applicable in the conduct of the Licensee's business and Broker acknowledges that the Licensee has not urged, counseled, or advised the use of any unfair business practice.

11. THE LICENSEE'S RIGHT TO MONITOR AND INSPECT THE OPERATIONS AND RECORDS OF BROKER. The Licensee shall have, under this Agreement, at all reasonable times, and upon twenty-four (24) hours advance request to Broker:

(a) The right to inspect any remote broadcast studios and related facilities used by Broker to prepare, produce, originate and transmit its programming to the Main Studios and broadcast transmitter of the Station;

(b) The right to monitor and to review, prior to broadcast all commercial continuity, scripts, informational and other non-entertainment programming originating with, or under the aegis and control of, Broker;

(c) The right to inspect and review all contracts or requests for broadcast time for political advertising, issue-oriented advertising, or other sponsored non-entertainment programming. Except as it may be required, under FCC, or other federal state or local laws and regulations, to disclose such information, the Licensee, its employees and agents, shall keep all information provided by Broker to it in confidence, and shall not reveal nor disclose such information to no other person, except as may be required by law, or under the Licensee's Licensing Agreement with a network, program syndicator, or music licensing organization.

12. INDEMNIFICATION.

(a) By Broker. Broker will indemnify and hold and save the Licensee harmless against all liability for libel, slander, illegal competition or trade practice, infringement of trademarks, trade names, or program titles, violation of rights or privacy, infringement of copyrights and proprietary rights, FCC forfeitures, or from any liability (including reasonable legal fees and other expenses incidental thereto) resulting from the programming furnished by Broker. Further, Broker warrants that the broadcast of the Programs will not violate any rights of others, and Broker agrees to hold harmless the Licensee, the Station, and its respective officers, directors, agents, stockholders, employees and assigns, from any and all claims, damages, liability, costs and expenses, including counsel fees (at trial and on appeal), arising, directly or indirectly, from the production or broadcast of the Programs. The Licensee reserves the right to refuse to broadcast any Program containing matter which is, or in the reasonable opinion of the Licensee may be, or which a third party claims to be, violative of any right of theirs or which may constitute a personal attack as the term is defined by the FCC. Broker's obligation to hold the Licensee harmless against the liabilities specified above shall survive any termination of this contract.

(b) By The Licensee. The Licensee shall indemnify and hold and save harmless Broker from and against any and all claims, losses, costs, liabilities, damages, FCC forfeitures and expenses (including reasonable legal fees and other expenses incidental thereto) of every kind, nature and description, arising out of Licensee's ownership and operation of the Station prior to the commencement of this Agreement, as well as Licensee's broadcasts of Licensee's programs during the term of this Agreement to the extent permitted by law.

(c) As a condition precedent to the indemnity obligation of any party hereto, the party requesting indemnification ("Indemnatee") shall give the other party ("Indemnitor") notice of any such claim for indemnity within ten (10) days after Indemnatee has knowledge

or notice thereof, and the Indemnitee must cooperate and assist the Indemnitor in the defense of such claim and shall not settle, adjust, compromise, interfere with or otherwise admit or pay such claim without the prior written consent of the Indemnitor.

(d) The obligations of the parties set forth in this Paragraph shall survive the termination of the term of this Agreement and continue to be binding obligations upon the parties hereto.

13. EVENTS OF DEFAULT. The following shall, after the expiration of the applicable cure period, constitute Events of Default under this Agreement:

(a) **Non Payment.** Broker's failure to timely pay the consideration due to the Licensee provided for by this Agreement, as and when due and payable; or

(b) **Default in Covenants.** Broker's default in the material observance or performance of any material covenant, condition, or agreement contained in this Agreement; or

(c) **Violation of the Licensee's Programming Standards.** Broker's failure to conform its programming substantially in compliance with the regulations and restrictions of the Licensee, as set forth in **Appendix 3** attached hereto, or of the Rules, Regulations and Policies of the FCC; or

(d) **Breach of Warranties and Representations.** If any material representation or warranty made by Broker in this Agreement, or in any certificate or document furnished to the Licensee pursuant to its provisions, shall prove to have been false or misleading in any material respect as of the time made or furnished; or

(e) **Insolvency, Bankruptcy, Liquidation.** If Broker shall become insolvent or unable to pay for its debts as they mature, or shall file a voluntary petition in bankruptcy or a voluntary petition seeking reorganization or to effect a plan or other arrangement with creditors, or shall file an Answer admitting to the jurisdiction of any Bankruptcy Court or other sovereign, and the material allegations of an involuntary petition, pursuant to any act of Congress relating the bankruptcy or any act purporting to be amendatory thereof, or shall be adjudicated bankrupt, or shall make an assignment for the benefit of creditors or to an agent authorized to liquidate any substantial amount of its assets, or shall apply for or consent to or suffer the appointment of any receiver or trustee for it or a substantial part of its property or assets; --- then, subject to the cure rights of Broker set forth immediately below, the Licensee shall have the right to terminate the term of this Agreement upon notice thereof to Broker and in such event, (i) the Licensee shall be under no further obligation to make available to Broker any further broadcast time or facilities, and (ii) all amounts due and payable to the Licensee (which have not been paid) shall be paid.

14. CURE PERIODS. Notwithstanding anything apparently to the contrary herein, before Broker is in default of Paragraph 13(a) of this Agreement and before the Licensee shall have the right to terminate the term of this Agreement:

(a) Broker shall have seven (7) days from its receipt of Notice of delinquent payment from the Licensee (which Notice shall state the amounts due and payable under this Agreement that are past due and delinquent) to cure such non-payment and pay the amounts set forth in the Notice before the Licensee declares Broker in default and terminates the term of the Agreement, except that the Licensee shall not be obligated to give any such notice to Broker if the Licensee has previously given Broker three (3) different notices of the delinquent payment of the monthly payment for three (3) different months whether or not consecutive (in which such payments were due); and/or

(b) If a default occurs under the provisions of Paragraph 13(b) of this Agreement, Broker shall have thirty (30) days after Notice of such default by the Licensee. If a default occurs under Paragraphs 13(b) or 13(d) above, and Broker uses good faith and due diligence to cure such default but because of reasons beyond its reasonable control Broker cannot cure such default within thirty (30) days, the Licensee shall not terminate the term of the Agreement, and Broker shall have a reasonable period of time to cure such default provided Broker continues in good faith and due diligence to cure such default.

15. TERMINATION UPON DEFAULT. In the event of the occurrence of an Event of Default, (i) the Licensee shall be under no further obligation to make available to Broker any further broadcast time or broadcast transmission facilities, and (ii) all amounts accrued or payable to the Licensee up to the date of termination which have not been paid shall immediately become due and payable. If an Event of Default is declared as a result of failure to make the payments required by Paragraph 13(a), all future payments due until the end of this Agreement shall also become immediately due and payable as of the date of such Event of Default. If an Event of Default is declared as a result of the breach set forth in Paragraphs 13(b) through 13(e), then the Licensee shall be entitled to recover actual damages for such breaches.

16. TERMINATION OF AGREEMENT OTHER THAN BY DEFAULT. This Agreement may be terminated by either party, after ten (10) days written Notice to the other, upon the occurrence of one or more of the following events or conditions:

(a) As provided in Paragraph 6(a) herein, or if the Federal Communications Commission otherwise adopts a final Rule or Order which has the effect of rendering the substantial operating provisions of this Agreement contrary to the public interest, convenience and necessity pursuant to such Rule or Order; or

(b) The Station ceases regular broadcast operations and remains off the air for a

period exceeding fourteen (14) days, provided, that the party giving Notice of termination is without fault in connection with such suspension of broadcast operations, or otherwise in breach of this Agreement; and provided further, that Station's operations are not resumed within such ten (10) day Notice period; or

(c) A court of competent jurisdiction in the State of Florida declares this Agreement to be null and void, and of no further effect; or

(d) The Application of the Licensee for Renewal of either Station License is subject to challenge and/or is designated for hearing by the FCC, or the FCC institutes a License revocation proceeding against the Licensee and the Station.

17. LIABILITIES UPON TERMINATION OF THIS AGREEMENT. Upon the termination of this Agreement, whether by operation of default, expiration, or otherwise:

(a) Broker shall be responsible for all liabilities, debts and obligations of Broker accrued from the purchase of air time and transmission facilities including, without limitation, accounts payable, barter agreements, and unaired advertisements; but not the Licensee's Federal and local tax liabilities associated with Broker's payment to the Licensee as provided for by this Agreement. With respect to Broker's obligations for consideration in the form of air time for which Broker has received prepayment, Broker may propose compensation to the Licensee for meeting these obligations, but the Licensee shall be under no duty to accept such compensation or to perform such obligations.

(b) Any unfulfilled obligations of Broker to provide time or advertising on a trade or barter basis shall remain Broker's responsibility unless the Licensee shall assume the same pursuant to separate agreements between Broker and the Licensee. Broker shall, in any event, indemnify and hold the Licensee harmless of and from all of Broker's liabilities not assumed by the Licensee as provided above, including any and all of the aforementioned contracts that Broker terminates which are not expressly assumed in writing by the Licensee. The obligation of Broker to indemnify the Licensee pursuant to the preceding sentence shall survive the termination of the term of this Agreement and continue to be the legally binding obligation of Broker.

(c) Upon termination of this Agreement either upon default or upon occurrence of allowed condition as provided herein, Broker shall promptly provide the Licensee with a list of all contracts, accounts, barter arrangements, and other obligations of Broker to provide air time on the Stations for the promotion or benefit of a sponsor or other third party (the "Unperformed Obligations"). The Licensee shall, within ten (10) business days thereafter, advise Broker which of the Unperformed Obligations the Licensee will assume. Broker shall be entitled to a commission of twenty percent (20%), payable upon collection by the Licensee, for each account or contract of the Unperformed Obligations agreed to be

assumed and performed by the Licensee, to the extent that such assumed Unperformed Obligations have not been prepaid.

18. AUTHORITY AND CAPACITY. Both the Licensee and Broker represent that they are legally qualified, empowered, and able to enter into this Agreement, and, to the extent necessary, have full authorization from their governing boards.

19. ASSIGNMENT. Neither party may assign its rights or obligations to a third party without the express written consent of the other party, except that, notwithstanding the foregoing, each Party has the right to assign as collateral, its rights and obligations under this Agreement to an institutional lender or other party providing credit or financing to such party. The party making such an assignment shall provide Notice of same as provided in Paragraph 29, herein.

20. ANCILLARY BROADCAST RIGHTS. In the event the Licensee obtains any digital or other ancillary broadcasting rights as a result of its ownership of the Station, Broker may be entitled (at an additional charge to be negotiated at that time) to take advantage of all revenue potential and technical improvements associated with such rights. During the term of this Agreement, the Broker shall maintain the exclusive right to utilize and sell the Station's subcarrier frequencies, and the Broker shall be entitled to keep as its sole and exclusive property all monies, revenues, profits, royalties, fees, trades or other consideration arising from the Station's subcarrier frequency operations.

21. COMPLIANCE WITH MULTIPLE OWNERSHIP RULES. The parties hereby acknowledge and agree that Section 73.3555 of the FCC's Rules and Regulations will not be violated by the effectuation of this Agreement. Each party agrees to keep the other informed of any events or matters that might cause this Agreement to become in violation of Section 73.3555 at any time during the term of this Agreement.

22. COMPLIANCE WITH SAME SERVICE SIMULCASTING RULES. Broker hereby acknowledges and agrees that implementation of this Agreement will not result in a violation of Section 73.3556 of the FCC's Rules with regard to duplication of programming on commonly owned and time brokered same service broadcast stations.

23. NO WAIVER; REMEDIES CUMULATIVE. No failure or delay on the part of the Licensee or Broker in exercising any right or power under this Agreement will operate as a waiver of that right or power; nor shall any single or partial exercise of any such right of power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right of power. The rights and remedies of the Licensee and Broker provided in this Agreement are cumulative and are not exclusive of any right or remedies which either may otherwise have.

24. INTERPRETATION. This Agreement shall be construed in accordance with the laws of the State of Florida, and the obligations of the Licensee under this Agreement are subject to the terms of the licenses held by the Licensee and to all federal, state or municipal laws or regulations now or hereafter in force and to the regulations of the FCC and all other Commissions, governmental bodies or authorities presently existing or later constituted.

25. APPENDICES. All appendices and attachments referred to in this Agreement are deemed part of this Agreement and equally binding on the parties.

26. HEADINGS. The headings of the provisions for this Agreement are included for convenience only, and no such heading shall in any way alter the meaning of any provision.

27. SUCCESSORS AND ASSIGNS. This Agreement shall be binding upon and inure to the benefit of the Licensee, Broker, and their respective successors and assigns.

28. COUNTERPART SIGNATURES. This Agreement may be signed in one or more counterparts, each of which will be deemed a duplicate original but all of which, together will constitute one and the same instrument and binding on the parties, notwithstanding that the parties are not signatory to the original or the same counterpart. This Agreement will be effective as of the date on which the executed counterparts are exchanged by the parties.

29. NOTICES.
