

## **Notification of Suspension of Operations and Request for Special Temporary Authority**

Landover 2, LLC (“Landover”), licensee of low-power television (“LPTV”) station W15DV-D, Westmoreland, New Hampshire (Facility ID No. 186684) (“W15DV-D”), hereby notifies the Commission that W15DV-D went silent on July 27, 2021 to conserve financial resources while Landover continues to build out its LPTV network. Landover anticipates that W15DV-D will need to remain silent for up to 180 days as W15DV-D’s engineer is currently out of state and will need to return to the station’s transmitter site to re-commence operations. Accordingly, Landover hereby requests Special Temporary Authority for W15DV-D to remain silent until it can resume operations with the station.
