

## **Notification of Suspension of Operations and Request for Special Temporary Authority**

Landover 2, LLC (“Landover”), licensee of TV translator station W29EN-D, Soperton, Georgia (Facility ID No. 186377) (“W29EN-D”), hereby notifies the Commission that W29EN-D went silent on August 3, 2021 to conserve financial resources while Landover continues to build out its broadcast network. Landover anticipates that W29EN-D will need to remain silent for a short time as W29EN-D’s engineer is currently out of state and will need to return to the station’s transmitter site to re-commence operations. However, out of an abundance of caution, Landover hereby requests Special Temporary Authority for W29EN-D to remain silent for up to 180 days until Landover can resume operations with the station.
