

Acquisition of Control

The original 301 Application for a Construction Permit for station WDZN, Midland, MD (Facility ID No. 166026), one of the subject stations in this application, was granted on May 25, 2006 to Radioactive, LLC (“Radioactive”), pursuant to File No. BNPH-20060310AFE. Thereafter, Radioactive assigned the construction permit to West Virginia Radio Corporation of the Alleghenies pursuant to a 314 Application for Assignment, File No. 20061205AAA, which was granted on January 18, 2007.
