

Notification of Resumption of Operation at Reduced Power and STA Request

Word of God Fellowship, Inc. (“WOGF”), the licensee of low power television station W48DW-D , Baton Rouge, Louisiana, hereby notifies the Commission that it has resumed operation of the station, pursuant to its construction permit, File No. 0000054431, but at a reduced power of .55 kw ERP, as of July 9, 2021. W48DW-D had been silent pursuant to Special Temporary Authority, as extended. It is anticipated that W48DW-D will be operating at full power in the next few days, after which a license application will be promptly filed to cover the displacement construction permit.

Accordingly, WOGF respectfully requests Special Temporary Authority to operate at reduced power until such time as its license application is filed with the Commission.
