

## **MULTIPLE OWNERSHIP EXHIBIT**

Continental Broadcast Group LLC is the licensee of three stations – two AMs and one FM station. All are “home” to the Indianapolis market according to BIA’s FCC Geographic Market Definitions, attached. As shown in the BIA report, there are 51 stations in that market. As one owner can hold the licenses of 2 AM and 1 FM station in any market where there are at least 6 stations, this combination is clearly permissible.
