

**K18FR-D Request for Modified Technical STA
Extraordinary Circumstances**

As the Commission is aware, because of failed power amplifiers, K18FR-D, Newport, Etc., OR (Facility ID No. 50584) has been forced to operate at reduced power using temporary spare equipment. *See* LMS File No. 0000135942, recently extended by File No. 0000154769 (granted Aug. 16, 2021).

Oregon Public Broadcasting (OPB) is filing for this modified STA in order to slightly increase the STA ERP from 2.5 kW to 2.912 kW.
