K200C-D, Eldorado, Arkansas (FID 48977)
KCWL-LD, Monroe, Louisiana (FID 184070)

KCWL-LD originates programming, it does not rebroadcast the signal of another station. Therefore the rebroadcast status certification has been answered “no” and the rebroadcast consent certification has been answered N/A. KCWL-LD has been silent with special temporary authority for longer than 30 days during the license term.

K200C-D re-broadcasts the signal of KNOE-TV, which is a commonly-owned station. Therefore, written authority from the licensee of KNOE is not needed.
