Programmer shall pay to Licensee the fees as set forth on Schedule 1.3 hereto, for the rights granted under this Agreement. In accordance with Licensee’s rights under Section 2.3.2 below, and provided Programmer is not then in default hereof, if Licensee preempts, deletes, delays, suspends, cancels or fails to broadcast any of the Programming during time that would otherwise be considered as LMA Hours, Programmer shall receive a credit equal to the *pro rata* portion of the fees paid for the month in which such preemption, deletion, delay, suspension, cancellation or failure to broadcast occurs pursuant to Section 2.3.2. Any credit due Programmer shall be applied to the fees due immediately following the calendar month during which such suspension, cancellation, preemption or delay subject to credit occurred.

1.4 Advertising and Programming Revenues

During the broadcast of the Programming delivered to the Station by Programmer, Programmer shall have full authority to sell for its own account commercial time or block programming time on the Station and to retain all revenues and all accounts receivable arising from or relating to the Programming, including, without limitation, promotion-related revenues. unless the party making or promising such payment is identified in the program as having paid for or furnished such consideration in accordance with FCC requirements. Commercial matter or programming with obvious sponsorship identification will not require disclosure beyond the sponsorship identification contained in the commercial copy or announced in connection with the programming. Programmer shall at all times endeavor in good faith to comply with the requirements of Sections 317 and 507 of the FCA.

2.4.5 Compliance with Copyright Act

Programmer shall not broadcast any material on the Station in violation of the Copyright Act or the rights of any person. All music supplied by Programmer shall be (i) licensed by the program provider or by a music licensing agent such as ASCAP, BMI or SESAC, (ii) in the public domain, or (iii) cleared at the source by Programmer. Licensee shall not be obligated to pay any music licensing fees or other similar expenses required in connection with the material broadcast by Programmer on the Station, provided that Licensee will maintain ASCAP, BMI, and SESAC music licenses if needed for the Station, subject to reimbursement of all music licensing fees due for the Station under those licenses by Programmer.

3.1 Licensee's Responsibility for Employees and Expenses

Licensee shall be named as an additional insured on such policies, and such policies shall not be terminable without notice to Licensee and an opportunity to cure any default thereunder. Programmer shall deliver to Licensee upon request a current certificate establishing that such insurance is in effect. Programmer shall be responsible for adherence to the FCC's EEO rules and policies for broadcast radio stations.

Except for the reimbursement obligations set forth in Schedule 1.3, Programmer expressly does not, and shall not, assume or be deemed to assume, under this Agreement or otherwise by reason of the transactions contemplated hereby, any liabilities, obligations or commitments of Licensee of any nature whatsoever.

5.0 Insurance and Indemnification

5.1 Insurance

During the Term, Programmer shall maintain its own policies of insurance covering liability for property damage in amounts customary for similar businesses in the Albany, GA area, which policies will name Licensee as an additional insured, and will indemnify and hold Licensee harmless with respect to any liabilities for property damage caused by Programmer, its agents or employees. Without limiting the generality of the preceding sentence, Licensee shall indemnify and hold Programmer and its Indemnitees harmless from and against, and Programmer will indemnify and hold Licensee and its Indemnitees harmless from and against, liability with respect to matters arising from or relating to any programming produced or supplied by the indemnifying party, including liability for libel, slander, infringement of copyright or other intellectual property, violation of rights of privacy or proprietary rights, and for any claims of any nature, including fines imposed by the FCC, as a result of the broadcast on the Station of any programming produced or supplied by the indemnifying party, including, without limitation, any programming which the FCC determines was in violation of any FCC rule, regulation or policy relating to lotteries or games of chance; obscenity, profanity or indecency; broadcast hoaxes; political broadcasting; or the adequacy of sponsorship identification.

5.3 Procedure for Indemnification

The procedure for indemnification shall be as follows:

5.3.1 Notice

The party seeking indemnification (the "**Claimant**") shall give notice to the party from whom indemnification is sought (the "**Indemnitor**") of any claim, whether solely between the parties or brought by a third party, specifying (i) the factual basis for the Claim, and (ii) the amount of the Claim. If the Claim relates to an action, suit or proceeding filed by a third party against Claimant, notice shall be given by Claimant within fifteen (15) business days after written notice of the action, suit or proceeding was given to Claimant. In all other circumstances, notice shall be given by Claimant within thirty (30) business days after Claimant becomes, or should have become, aware of the facts giving rise to the Claim. Notwithstanding the foregoing, Claimant's failure to give Indemnitor timely notice shall not preclude Claimant from seeking indemnification from Indemnitor except to the extent that Claimant's failure has materially prejudiced Indemnitor's ability to defend the claim or litigation.

5.3.2 Claims Between Parties

With respect to claims between the parties, following receipt of notice from the Claimant of a Claim, the Indemnitor shall have thirty (30) business days to make any investigation of the Claim that the Indemnitor deems necessary or desirable. For the purposes of this investigation, the Claimant agrees to make available to the Indemnitor and/or its authorized representatives the information relied upon by the Claimant to substantiate the Claim. If the Claimant and the Indemnitor cannot agree as to the validity and amount of the Claim within the 30-day period (or any mutually agreed upon extension thereof), the Claimant may seek appropriate legal remedy.

5.3.3 Third Party Claims

With respect to any Claim by a third party as to which the Claimant is entitled to indemnification hereunder, the Indemnitor shall have the right at its own expense to participate in or assume control of the defense of the Claim, and the Claimant shall cooperate fully with the Indemnitor, subject to reimbursement for actual out-of-pocket expenses incurred by the Claimant as the result of a request by the Indemnitor. If the Indemnitor elects to assume control of the defense of any third-party Claim, the Claimant shall have the right to participate in the defense of the Claim at its own expense. If the Indemnitor does not elect to assume control or otherwise participate in the defense of any third party Claim, Claimant may, but shall have no obligation to, defend or settle such Claim or litigation in such manner as it deems appropriate, and in any event Indemnitor shall be bound by the results obtained by the Claimant with respect to the Claim (by default or otherwise) and shall promptly reimburse Claimant for the amount of all expenses (including the amount of any judgment rendered), legal or otherwise, incurred in connection with such Claim or litigation. The Indemnitor shall be subrogated to all rights of the Claimant against any third party with respect to any Claim for which indemnity was paid.

5.4 Limitations

Neither Programmer nor Licensee shall have any obligation to the other party for any indemnification hereunder except upon compliance by the other party with the provisions of this Section 5.

6. Default and Cure

6.1 Events of Default

The following shall, after the expiration of the applicable cure periods as set forth in Section 6.2, each constitute an Event of Default under this Agreement by the party responsible for the action, or failure to act, described below:

6.1.1 Non-Payment

Programmer's failure to pay when due the Monthly Fee and the Station Expenses payable under Section 1.3 and Schedule 1.3 of this Agreement.

6.1.2 Default in Covenants or Adverse Legal Action

a. Any party (i) defaults in the performance of any material covenant, condition or undertaking contained in this Agreement, (ii) makes a general assignment for the benefit of creditors, or (iii) files or has filed against it a petition for bankruptcy, for reorganization or an arrangement, or for the appointment of a receiver, trustee or similar creditors' representative for the property or assets of such party under any federal or state insolvency law, which, if filed against such party, has not been dismissed or discharged within 60 days thereafter, or

b. As a consequence of any act or omission of Licensee or Programmer, the FCC issues a Hearing Designation Order or commences any hearing with respect to the Station, issues a Show Cause Order, a Letter of Inquiry (as to which counsel for the party not responsible for the matter addressed in such Letter of Inquiry determines in the reasonable exercise of his or her discretion that there is a reasonable basis to believe that the FCC may take material adverse action with respect such matter), Notice of Apparent Liability, or Order of Forfeiture with respect to the Station, provided, however that it shall not be an Event of Default by one party, if such Order, Letter of Inquiry, Notice of Apparent Liability or hearing results from the act or omission of the other party hereto. This subsection (b) shall not apply to hearings with respect to any FCC applications during the Term for changes to the facilities of the Station.

6.1.3 Breach of Representation

Any material representation or warranty made by either party to this Agreement, or in any certificate or document furnished by either party to the other pursuant to the provisions of this Agreement, proves to have been false or misleading in any material respect as of the time made or furnished.

6.1.4 Breach of Purchase Agreement

Any material breach of the Purchase Agreement.

6.2 Cure Periods

Except as provided herein, an Event of Default shall not be deemed to have occurred until the non-defaulting party has provided the defaulting party with written notice specifying the event or events that, if not cured within thirty (30) days, would

constitute an Event of Default; provided, however, that (i) if the Event of Default is non-monetary and cannot reasonably be cured within such period, and if diligent efforts to cure promptly commence, then the cure period shall continue as long as such diligent efforts to cure continue, and (ii) in the event of a non-payment as provided in [Section 6.1.1](#) hereof, Licensee shall not have to give such notice or opportunity to cure if, within the preceding six (6) months, such notice has previously been given. If not cured within the cure period, the Event of Default shall be deemed to have occurred as of the date the event (that is, the act, failure to act, omission, filing, or other such occurrence) triggering the Event of Default occurred. The cure period for a failure by Programmer to supply the Programming for broadcast by the Station shall be ten (10) business days from the receipt of written notice by Licensee.

7. Termination

7.1 Termination Upon Default

Upon the occurrence of any Event of Default, the non-defaulting party may terminate this Agreement, provided that it is not also in material default of this Agreement, and may seek such remedies at law and equity as provided herein. If this Agreement is terminated as a result of Programmer's default in the performance of its obligations, all amounts accrued or payable to Licensee up to the date of termination which have not been paid shall become due and payable within ten (10) business days.

7.2 Termination for Change in [Governmental](#) Rules or Policies

The parties believe that the terms of this Agreement meet all of the requirements of current federal governmental policy, including that of the FCC, for time brokerage or local marketing agreements, and agree that they shall negotiate in good faith to meet any governmental concern with respect to this Agreement. If the parties cannot agree within a reasonable time to modification(s) deemed necessary by either party to meet such governmental requirements, either party may terminate this Agreement upon written notice to the other.

7.3 Certain Matters Upon Termination

7.3.1 No Obligation to Provide Time

If this Agreement is terminated for any reason other than the occurrence of the consummation of the assignment of the licenses and authorizations issued by the FCC for the Station, Licensee shall be under no further obligation to make available to Programmer any broadcast time or broadcast transmission facilities, and Programmer shall have no further obligations to make any payments to Licensee under [Schedule 1.3](#) attributable to any period after the effective date of termination. Programmer shall be solely responsible for all of its liabilities, debts and obligations to third parties incident to Programmer's purchase of broadcast time under this Agreement and Programmer's production and provision of the Programming, including, accounts payable provided that Licensee shall be responsible for Licensee's federal, state, and local tax liabilities associated with Programmer's payments to Licensee under [Schedule 1.3](#). So long as this Agreement is not terminated as a result of Programmer's breach or default, Licensee agrees that it will cooperate reasonably with Programmer to discharge in exchange for reasonable compensation any remaining obligations of Programmer in the form of air time following the date of termination.

7.3.2 Return of Equipment

Programmer shall return to Licensee any of Licensee's equipment or property used by Programmer, its employees or agents, in substantially the same condition as such equipment existed on the Commencement Date, ordinary wear and tear excepted.

7.4 Liability for Prior Conduct

No expiration or termination of this Agreement shall terminate the obligation of each party to indemnify the other for claims of third parties under [Section 5](#) of this Agreement or limit or impair any party's rights to receive or make payments due and owing in accordance with this Agreement on or before the date of such termination.

7.5 Attorneys' Fees and Costs

In the event any action or proceeding is commenced by either party to enforce the provisions of this Agreement or to seek remedies for a breach or wrongful termination of this Agreement, the prevailing party in such an action or proceeding shall be entitled to the award of its reasonable attorneys fees and costs incurred in and relating to such an action or proceeding.

7.6 Liquidated Damages

If this Agreement is terminated by Licensee's giving of valid written notice to Programmer pursuant to [Section 7.1](#), Programmer agrees that in the event the Purchase Agreement is terminated concurrently, Licensee shall be entitled to receive, as

liquidated damages and not as a penalty, the delivery of Escrow Deposit as defined the Purchase Agreement. In the event this Agreement is terminated pursuant to Section 7.1, but the Purchase Agreement is not terminated, Licensee shall be entitled to receive, as liquidated damages and not as a penalty, Five Thousand Dollars (\$5,000). THE DELIVERY OF THE LIQUIDATED DAMAGES AMOUNT TO LICENSEE SHALL BE CONSIDERED LIQUIDATED DAMAGES AND NOT A PENALTY, AND SHALL BE THE RECIPIENT'S SOLE REMEDY AT LAW OR IN EQUITY FOR THE TERMINATION OF THIS AGREEMENT AS A RESULT OF PROGRAMMER'S BREACH. PROGRAMMER AND LICENSEE EACH ACKNOWLEDGE AND AGREE THAT THIS LIQUIDATED DAMAGE AMOUNT IS REASONABLE IN LIGHT OF THE ANTICIPATED HARM WHICH WILL BE CAUSED BY TERMINATION OF THIS AGREEMENT AS A RESULT OF PROGRAMMER'S BREACH OF THIS AGREEMENT, THE DIFFICULTY OF PROOF OF LOSS, THE INCONVENIENCE AND NON-FEASIBILITY OF OTHERWISE OBTAINING AN ADEQUATE REMEDY, AND THE VALUE OF THE TRANSACTIONS TO BE CONSUMMATED HEREUNDER.

7.7 Limitation on Damage

Notwithstanding anything here to the contrary, in the event of Licensee's default of this Agreement and its failure to cure such default as provided in Section 6.2 hereof, Programmer shall be entitled to seek, as its sole remedy, specific performance of this Agreement or, in lieu thereof, its actual damages, but not both. Neither Licensee nor Programmer shall, under any circumstances, be liable for any special, exemplary, punitive, incidental, or consequential damages regardless of the cause.
