

MULTIPLE OWNERSHIP RULE COMPLIANCE

WRRS(FM) is a non-commercial educational FM station which operates on 88.5 MHz, within the non-commercial portion of the FM band.

Non-commercial educational FM stations are categorically exempt from the FCC's multiple ownership rules contained in 47 C.F.R. §73.3555(a), which apply only to commercial broadcast stations.

Therefore, the acquisition of WRRS(FM) by Academy of the Immaculate, Inc. does not implicate the FCC's multiple ownership rule.
