

**Station Employment Unit
Narrative Statement**

As demonstrated by the two attached EEO public file reports, the station employment unit (SEU) is committed to achieving broad and inclusive outreach for all full-time positions that it fills. The SEU employs a variety of sources to reach and recruit potential candidates including local and national sources. Its mentorship programs, internships, internal training focused on best EEO practices, college and lower school presentations on careers in broadcasting, and other outreach efforts in the surrounding communities ensure that the SEU is well connected to the communities it serves. The SEU takes its EEO responsibilities seriously and will continue to do so.
