

NCE TECHNICAL CERTIFICATION
REASONABLE ANTENNA SITE ASSURANCE

IN SUPPORT OF A NCE-FM RESERVED
CHANNEL CONSTRUCTION PERMIT APPLICATION
LEWES, DELAWARE
OCTOBER 2021

This technical exhibit has been prepared on behalf of Delaware First Media Corporation, licensee of NCE Class A FM station WDDE, Dover, DE. It is in support of a new NCE-FM station at Lewes, DE, and is in response to the Commission's procedures and requirements for the November 2-9 2021, NCE-FM window filing.

REASONABLE SITE ASSURANCE CERTIFICATION

The applicant for the proposed NCE (FM) facility for Lewes, DE certifies that it has reasonable assurance in good faith that the existing structure at the location of its proposed transmitting antenna (ASR 1210663) will be available to the applicant for the applicant's intended purpose. The name of the person contacted is Mr. Greg Thompson (440-263-8999), a principal in the company of K2 Towers II, LLC, and owner of the tower.
