

## Clarification of Station's Operational Status - W18DQ-D

W18DQ-D Santa Isabel, PR (Facility ID No. 181871) was silent from September 20, 2017, to March 27, 2018 (*Silent STA, File No. 0000030185*); then from March 28, 2018, to Sept 20, 2018 (*STA, File No. 0000053366*); then from Sept 21, 2018, to March 6, 2019 (*STA, File No. 0000059708*).

The station then resumed operations with the operating parameters authorized in *Eng. STA, File No. 0000068067*, on its assigned channel 18, from March 5 to March 27, 2019, when it experienced equipment failure and went silent from March 28 to August 15, 2019, under the authorization of *Silent STA, File No. 0000068303*. The station then resumed operations on August 16, 2019, until May 13, 2020, with the operating parameters previously authorized in *Eng. STA, File No. 0000068067*<sup>1</sup>.

On May 13, 2020, the station began to operate on a CSA mode (channel 16) with the parameters requested on the *CSA Engineering STA, File No. 0000113669, as amended*, granted to expire on 03/31/2021. The station operated on this CSA mode until September 25, 2020, when it filed and was granted a Suspension of Operations and Silent STA Application, *Silent STA, File No. 0000123879*; though this STA authorized Silent operation until March 25, 2021, the station exited Silent mode earlier, on January 10, 2021, when the facilities authorized in the *Minor CP Modification, File No. 0000129953* were completed and licensed, *Station License FCC File No. 0000130998*.

In summary, W18DQ-D was provided 312(g) relief through various Public Notices, Eng. STA's and Legal STA grants through 12/31/2019. After 12/31/2019, the station was silent or operating under a temporary channel sharing arrangement (CSA on channel 16), from May 13, 2020, to January 10, 2021, approximately for 8 months.

Station W18DQ-D is confirmed to have stayed on the air operating with its latest licensed parameters.
