Hi Mark,

Hope all is well and thanks for your help. Per our prior correspondence, see the requested virtual channel change info below:

- DTV America Corporation (“DTV”) is the licensee of Low Power TV station WUDW-LD, facility ID 182288, in the Richmond, Virginia DMA.
- DTV respectfully requests to operate on Virtual Channel 53 in lieu of its current Virtual Channel 15
- An analysis of the surrounding area/market indicates that Virtual Channel 53 is available for use by WUDW-LD and would not conflict with any another station’s Virtual Channel assignment. The map showing that analysis is attached.

Please let me know if you need any further information here.

Thanks,
Mike
