

**CERTIFICATION OF EDUCATIONAL PURPOSE**

New Horizon Christian Fellowship (“NHCF”) is a Louisiana non-profit corporation organized for the purpose of providing educational and religious programming to audiences in Slidell, Louisiana and surrounding communities. NHCF’s educational objectives include teaching the Gospel of Jesus Christ and providing instruction on redemption, hope, and social progress, with special attention paid to social problems such as divorce, mental illness, child abuse, teen pregnancy, alcoholism and drug abuse.

The Commission previously granted a broadcast application that found NHCF qualified as a noncommercial educational entity with a qualifying educational program. *See* FCC File No. BNPED-20071022BAN. NHCF will use any new FM station obtained in this proceeding to advance a program similar to that which the Commission found qualifying in NHCF’s previous application.
