To whom it may concern,

I spoke with Dave Wilson (*owner*) of tower #1252237 and was informed that tower space will likely be available should a construction permit be granted in the near future; however, no formal agreement was entered reserving said space.

Mr. Wilson can be contacted at 970-332-5833.

Regards,

A handwritten signature in black ink, appearing to read "Alex R. McKenzie". The signature is fluid and cursive, with a large initial "A" and "M".
