

**Georgia Public Telecommunications Commission
New NCE FM Station**

Eligibility

The Georgia Public Telecommunications Commission (“GPTC”) is an agency of the State of Georgia charged with providing noncommercial, educational public broadcasting services to Georgia residents. The Commission has previously found that GPTC is a qualified noncommercial educational entity with a qualifying educational program in connection with the licensing of GPTC’s existing noncommercial radio stations. *See, e.g.* CDBS File Nos. BPED 19950530MC & BNPED 20071019BBB.
