5. A list and brief description of initiatives undertaken to satisfy the requirements to complete four “menu options” within a two-year period.

(i) Participation in at least four job fairs by station personnel who have substantial responsibility in the making of hiring decision.

- In 2020, due to the COVID-19 pandemic, many career fairs were cancelled. TPT was represented at the University of Minnesota Diversity Job and Internship Fair in February 2020. And, we utilized Handshake, an online college resource for students to find career opportunities.

When taking into account our two-year timeframe, we participated in career events with Minnesota Educators Association Conference, IPR Career Fair, *Make It. MSP* Career and Internship Fair, and the Minnesota State Fair in 2019. All of our career events had hiring managers and/or human resource staff in attendance with job related information.

- In technology, we continue to partner with PRIME Digital Academy to build connections and offer career counseling for students of varying technical levels on how their experiences could align with a future media position. We also network with technology Meetup Social Networks.

Annual EEO Public File Report - November 22, 2019 – November 21, 2020

(iv) Participation in at least four events sponsored by organizations representing groups present in the community interested in broadcast employment issues, including conventions, career days, workshops and similar activities

Description: During the preceding year, TPT participated in multiple events with organizations designed for connecting with our community and finding groups who are interested in broadcast employment.

- In November, TPT submitted four (4) *National Educational Telecommunications Association (NETA)* Breakout Sessions related to work in media.
- In November, TPT hired a consultant with SoulTouch to partner with us over the next six months to launch a new youth media initiative that introduces students to media production and builds our talent pipeline.
- In October, TPT NOW, the nation's first 24/7 television broadcast channel airing real-time health and safety emergency alerts in English, Spanish, Hmong and Somali, partnered with the Minnesota Department of Health (MDH) and New Publica to launch a social media campaign to bring awareness of COVID-19 safety to our youth – by our youth. Students are learning insights on how to design a campaign for public media and submit 30-60 second video messages.
- Throughout 2020, TPT partnered with Team Dynamics, an organization committed to meaningful change. With their background in adult education and strategic community organizing, a TPT cohort of 25 staff members met with a panel of community leaders to better understand how to reach, partner and elevate stories with our diverse community audiences.
- In 2020, TPT participated and hosted an event with New Sector Alliance, an external organization working to empowers individuals newer in their careers to build skills and abilities. TPT staff were on hand to introduce the participants to public media.
- TPT hosted "Almanac Evenings," "Second Saturdays," and new member events for our community to tour TPT and learn about opportunities at the station.
- In October, Rewire staff presented on creating successful digital video series for the 2020 PBS Digital Immersion Fall Workshop, as well as at the 2020 Reel South – Reel Digital Conference which included discussions on the current public media landscape.
- Rewire staff presented on developing emotional intelligence as a new leader at the PBS YoPro professional development workshop.
- Rewire staff shared out Rewire's work to prospective students at Wartburg College Scholarship Day and about Sound Field to students at Pace Music Group.
- TPT staff presented Next Avenue's COVID work at the PTMMG webinar on innovations in journalism.
- TPT staff led a day-long workshop for the PBS Business Intelligence and Analytics team which served as the foundation for their new curriculum for increasing data literacy at stations.
- TPT *Next Avenue* staff co-led workshop on rapid innovation using human centered design as part of PBS Digital Immersion program.

Annual EEO Public File Report - November 22, 2019 – November 21, 2020

(v) Establishment of an internship program designed to assist members of the community to acquire skills needed for broadcast employment.

Description: During the preceding year, TPT offered a standard internship program which includes real-work experience, shadowing experienced employees, coaching/mentoring, and formalized feedback. TPT trained managers on the process and procedures of hiring interns for this program through one-on-one instruction based on the TPT Internship Guide. Even working remotely, TPT offered (5) students paid internship programs. These opportunities were advertised at a variety of colleges, including non-technical and technical positions that prepare students for the media workforce.

(vii) Participation in scholarship programs designed to assist students interested in pursuing a career in broadcasting.

Description: TPT continues to partner with Mellon / ACLS Fellowship. This May, we hosted a Mellon / ACLS Fellow to work with our Audience Development Project Team. This ACLS fellowship will run through August 2022. Our graduate student is learning our public broadcasting business and will be assisting us in better meeting the needs of the community and deepening our audience engagement.

And, in partnership with *Report for America*, a national service program that places emerging journalists into local newsrooms to report on under-covered issues, TPT was awarded a Data Reporter fellowship to address racial disparities in our region.

Annual EEO Public File Report - November 22, 2019 – November 21, 2020

(viii) Establishment of training programs designed to enable station personnel to acquire skills that could qualify them for higher level positions.

Description: A training program has been established that encompasses the following training modules (individual workshops or sessions). Some of these modules are available or required of all employees. Others are more tailored to provide specific areas with additional skills related to their specific job functions.

- TPT partnered with *Team Dynamics* to lead a series of cultural competencies workshops and assessments for TPT. It's a "train the trainer" model and leaders are taking new skills and tools back to their teams to further develop their knowledge, skills and abilities.
- TPT continued a *Leadership Development* cohort program with 14 leaders. This program was designed to further develop their management, leadership and emotional intelligence skills, and our 2019 *Emerging Leaders* cohort acted as mentors for these leaders.
- TPT provided one-on-one leadership coaching for two (2) key leaders in our organization to develop capabilities.
- Station personnel and educators trained on how to integrate *SciGirls* STEM curriculum into youth-serving organizations for our community outreach and local educational partnerships.
- Performance Management / Policy Training – TPT offered a minimum of three (3) hours of training to all staff and managers on topics of codes of conduct, policy review and coaching conversations.
- Information Technology provides ongoing training and support to enhance desktop and application experience for staff.
- More than 100 hours of staff education sessions were offered around topics of diversity, technical /on-the-job, professional development, wellness, and compliance initiatives. In addition, we offered a week of "Speed Learning" sessions for staff to learn more about specific team activities or projects.
- On November 10, TPT staff participated in a *Public Media "Day of Action and Education"* to take intentional time to focus in areas of inclusion, diversity, equity and accessibility (IDEA) to build deeper awareness and understanding. Programs included online unconscious bias keynote session, links to learning resources, an interactive workshop with Centered Spaces for Healing and Wellness, and access to Racial Equity Action Support Network.
- Online training – Due the COVID-19 pandemic, in March our training shifted to virtually workshops and online training programs. We offered programs through Destra Consulting around Change Management and Leading Remote Teams, as well as offer LinkedIn Learning licenses for ongoing professional development.
- Talent Acquisition training was offered to all managers with hiring authority regarding how to appropriately recruit, select and hire employees.

Twin Cities Public Television
Annual EEO Public File Report - November 22, 2019 – November 21, 2020

(x) Participation in at least four events or programs sponsored by educational institutions relating to career opportunities in broadcasting

Description: TPT has built ongoing partnerships with various educational and nonprofit institutions to expand broadcast learning opportunities.

- TPT is working with Minnesota Youth Story Squad, a partnership between the University of Minnesota and urban public middle schools and high schools, to provide hands-on media making mentorships in the Twin Cities. Through this work, BIPOC youth learn to create media that reflects their world and their experiences.
- Our Digital Publishing team continues to partners with the Asian American Journalists Association (AAJA) leading to freelance opportunities.
- As part of an ongoing relationship with HECUA's "Making Media Making Change," Rewire staff members held an open discussion for students of the program to learn about our work and public media generally.
- As part of Next Avenue's practicum internship program with University of Minnesota's Hubbard School of Journalism, staff members led a session on best practices in digital journalism.
- We continue our membership and involvement with NAMIC (National Association for Multi-ethnicity in Communications), focusing on cultural diversity, equity and inclusion in the communications industry.
- *Hands-on Science* production team has worked with local students to provide hands-on experiences on science, as well as behind-the-scenes exposure to broadcasting.
- TPT engaged more than 7,000 students in the Twin Cities through the *SciGirls Connect* outreach network. These programs gave students opportunities to learn more about STEM, as well as getting exposure on broadcasting roles and asking staff career questions.
- Our *Ready to Learn* team continues to partner with Dr. Roni Ellington at Morgan State University, to design and implement a transformative transmedia framework for early STEM learners.
- The *Hero Elementary* research program participated in school programs that offered TV, digital games, and hands-on activities with more than 400 second graders. While the goal was to document student learning gains, the students were also introduced to public media and our staff. It's our hope that these learning opportunities may lead to future interests in broadcasting careers.
- In July the station launched TPT Learn, a new initiative designed to establish TPT as a valued local producer and provider of media-rich educational resources and programming. TPT Learn has already provided Minnesotans with virtual Second Saturdays and a broadcast activity-based program called *Camp TV*, engaging 4,000 children and families in at-home learning. Professional development for teachers around using media in the classroom is being created, and all work will be guided by a diverse Advisory Board of local educators, parents and NPO leaders.

(xiv) Provision of training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination.

Description: Twin Cities PBS (TPT) is committed to fostering a culturally agile organization to best serve our staff and community. We acknowledge and embrace our differences, value them, and integrate them into our work. Additionally, we seek our audience's multiple perspectives, identities and priorities to encourage ongoing transformation and growth. As part of this effort, TPT provides annual and on-going training in the following:

- All Managers receive annual training on our talent acquisition process, how to comply with fair hiring practices, EEO guidelines, TPT policies and affirmative action laws.
- Annually, all employees are trained on company policies regarding discrimination, sexual and other harassment in the workplace, ethics, ADA, and codes of conduct.
- HR and Legal staff partner regularly with Littler Learning Groups, attending online *Presentation* regarding compliance issues. Additionally, HR staff regularly participate in monthly community diversity, equity and inclusion events on various topics that support our EEO and inclusive work environment.

This report was corrected as of June 1, 2021, as part of an audit and on advice of counsel.
