

**Statement Regarding
File No. 0000167310 -- EEO Program Report -- Filed November 9, 2021 for
Cooperative Television Association of Southern Minnesota**

Cooperative Television Association of Southern Minnesota ("CTV") is the licensee of 24 low power television stations identified on page 2 of this Statement. CTV's EEO Program Report (File No. 0000167310) ("the Report") was filed with the Commission on November 9, 2021, with the intent that the Report include all 24 stations licensed to CTV. After the Report was filed, it was discovered that one of the 24 stations – **K26CS-D (Facility ID 13844), St. James, MN**, was inadvertently omitted from the Report.

This is to confirm that all information provided in File No. 000016730 applies to Station K26CS-D. It is therefore respectfully requested that K26CS-D be treated as having been included in the Report. Further, the Commission is hereby advised that the license renewal application to be filed for K26CS-D will reflect that the Report was filed for K26CS-D, among the other stations licensed to CTV.

I hereby certify that I am qualified to practice before the Commission under 47 C.F.R. Section 1.23(a), and I am authorized to represent CTV before the Commission and, specifically, in submitting this Statement, the contents of which are true and correct to the best of my knowledge, information and belief.
