

Auction Holding Period Expiration Exhibit

As explained in the separate Competitive Bidding Exhibit also attached to this application, the original construction permits for two of the 24 full-power radio stations that are the subject of this transfer of control application were obtained through the FCC's competitive bidding procedures.

The original construction permit for WOTT(FM), Calicum, NY (Fac. ID No. 166014) was awarded to Liveair Communications, Inc., in Auction 62 (MM-FM433A). That permit was granted on May 24, 2006, so more than 5 years have passed since that grant date.

The original construction permit for WFRK(FM), Quinby, SC (Fac. ID No. 183329) was awarded to Miller Communications, Inc., in Auction 79 (MM-FM699). That permit was granted on November 16, 2009, so more than 5 years have passed since that grant date.
