

K245DJ Special Operating Conditions Compliance

1. The licensee understands that K245DJ will, in perpetuity, be used to rebroadcast KSRO (AM) subject to the conditions included with this authorization.
2. It is verified that K233CM has changed its primary from KSRO (AM) to KDHT (FM).
3. The licensee in coordination with other users of the site agrees to reduce power or cease operation as necessary to protect persons having access to the site, tower or antenna from radiofrequency electromagnetic fields in excess of FCC guidelines.
4. This application is being filed in order to commence program test operation.

TPO Calculation

$$75\text{w} / 4.2 = 17.9 / 0.929 = 19.3 \text{ W}$$
