

Exhibit Pursuant to Section 73.3535 of the Commission's Rules

As indicated in the Interest Holder Exhibit, the Applicant holds interests in other broadcast stations. However, the city grade contour of the proposed facility does not overlap with the city grade contour of any of the stations owned by Applicant or its interest holders. The proposed facility is located in Tomahawk, Wisconsin, which is not a Nielsen rated market. The Applicant is also filing a construction permit related to Auction 109 for a facility located in Crandon, Wisconsin, which is approximately 37 miles from Tomahawk. The city grade contours for the Applicant's Tomahawk and Crandon facilities will not overlap. None of the Applicant's interest holders have an interest in any FCC Regulated Business other than the Applicant. Therefore, Applicant certifies that it and its interest holders comply with Section 73.3555(a) of the Commission's rules.
