Re: American Tower Site # 8363, William CA, FCC # 1212577

Dear Mr. Morales,

American Tower Corporation, owner of the above referenced tower, hereby grants Radio Bilingue permission to represent in any applications filed with the Federal Communications Commission ("FCC") that the company has reasonable assurance from American Tower that it will enter into good faith lease negotiations for tower and transmission equipment space on the Williams CA. Final consideration shall be contingent upon submitting a completed site application, receiving credit approval from American Tower and conducting a full structural analysis and shared interference study.

Once you receive a valid construction permit, please contact Danielle Poirier, Manager Inside Sales at danielle.poirier@americantower.com or (781) 926-4633 to submit an application and receive a lease quote. We look forward to working with you on the build out of your station in Williams CA.

Thank you for your interest in American Tower.

Regards,
