

## **Renewal of License Amendment – Adherence to Minimum Operating Schedule Narrative**

HC2 Station Group, Inc. (“HC2”) acquired the license for WWCI-CD, Facility ID: 18894, Vero Beach, FL pursuant to an assignment application. The acquisition was consummated on 10/5/2018.

The Assignor was: V One Broadcasting LLC. The Lead File Number was: BAL-20180813AAF.

The station went silent on 10/5/2018 and filed a Silent Special Temporary Authority (“Silent STA”) request, FCC File Number: 0000062905, on 10/16/2018. The reason for the period of silence was “The Station was acquired by Licensee of October 5, 2018 (FCC File No. BAL-20180813AAF). The Licensee plans [to] file for a modification of construction permit in order to relocate the Station to a new site and facility. In the meantime, the Station will remain silent pending reconstruction at the new site.”

The station extended the Silent STA on 4/5/2019, FCC File Number: 0000062905. The specific reason for the silence was, “The Licensee [had] made substantial progress since filing its initial STA request. Specifically, all efforts [were] underway to meet required FCC deadlines and the station fully expect[ed] to be on the air prior to the station’s 312(g) deadline of October 4, 2019. The Station ordered its transmitter and filter on January 23, 2019 as well as its antenna on January 24, 2019. Additionally, the Station [had] installed both electricity and Internet and has scheduled a tower crew for the end of April.”

The station resumed operations on 6/7/2019 when it filed a License to Cover application, FCC File Number: 0000074586, on 6/7/2019. The License to Cover was granted on 6/13/2019. Since that date, the station has been operating pursuant to its authorized specifications.
