**Activity: Internship Program**

Traditionally each summer, the Monadnock Broadcasting Group hired a college student for our paid internship. Our program, through Keene State and Franklin Pierce College, gave credit to a Broadcast Journalism major. The student typically excels in our 10 week program in our news department and gained valuable experience. We were unable to fill this position in 2021.

**Activity: Tours Given**

The Monadnock Broadcasting Group still hosted several groups and individuals in 2021. From youth groups to students and curious individuals, our door is always open to start an interest in broadcasting. We typically invite them for a shadow day with the Program Director and Morning Show host.

**Activity: NHAB Scholarship Program**

The Monadnock Broadcasting Group took an active role in the Scholarship Program with the NH Association of Broadcasters in 2021. We promoted the solicitation for candidates on-air and supported it financially. Station management also participates in the review and selection of candidates.

**Activity: General Outreach**

We routinely contact various community groups to notify them of job opportunities at the radio stations and also direct users of our websites to organizations that can provide them with more information about pursuing a career in the broadcasting industry.
