Portland Radio Group Outreach Activities 11/2020-11/2021

Portland Radio Group Interns

Because of the Pandemic we limited our intern program this year. In abundance of caution, we had only 1 intern in our **paid internship program**. The program provides in-depth training in all aspects of Programming, Promotions, News, Sales and General Administration at the Portland Radio Group cluster of stations. Our program is designed to assist individuals to acquire skills needed for broadcast employment.

Mia Jackowitz

A college student studying at Elon University was an intern from May 2021 to August 2021. Her skills as a news reporter and announcer showed remarkable improvement throughout the program.

Partner with Southern Maine Community College

Because of the pandemic the class was done virtually, our participation was temporarily suspended.

In House Recruiting

Employees are strongly encouraged to attract and recruit anyone whose talents they feel will be an asset to our organization, both full and part-time.

All recruitment events were cancelled due to the Pandemic
