

EEO NARRATIVE

KSVI(TV), Billings, MT (FAC ID 5243) (the “Station”), continuously strives to achieve broad and inclusive outreach and has established EEO policies and procedures which focus on the wide dissemination of information about job opportunities at the Station to the immediate community via a variety of recruitment sources. It is a fundamental principle and practice of the Station to prohibit employment discrimination based on race, color, religion, national origin or gender and to ensure equal opportunity to qualified applicants.

Sources targeted for recruitment include, but are not limited to, educational institutions, minority, women’s and local community organizations, state and local area unemployment organizations, and other groups or organizations that assist in job placement. The Station also participates in local career day and job fair events. The Station’s attendance at these events has enabled it to continue its successful recruiting efforts.

In addition to its traditional recruiting efforts, the Station has conducted annual training, has actively participated in job fairs to meet with students in exploring potential careers in broadcasting, and is a platinum partner with the Montana State University Billings Career Services Office. As a partner the Station staffs information booths and assists with resume and interview workshops to help prepare students for applying for jobs in the broadcast industry.

The Station understands the importance of its recruiting obligations, and as such, reviews its policies and procedures on an annual basis in order to make adjustments to its recruiting sources and its community activities.
